the philosopher george santayana once said those who cannot remember the  
past are condemned to repeat it his statement rings true in my book healthy  
family tree genealogy is a story of departed moments that unless you pursue  
them become lost in historical dust i am a teacher of genealogy a little  
background as to why my daughter shirlee asked me for help with a school  
project called creating a family tree she was a teenager at the time and i was  
thrilled because i thought now she was speaking my language while  
instructing her how to search our grandparents births and what manner of  
death was documented we became aware of similarities and the cause of  
death became a frequent pattern among families this in itself piqued my  
imagination because similar trends were present in myself and my immediate  
family i began to think what if you could determine a flaw in your body from  
searching a family tree and ultimately finding a way to protect yourself  
before it becomes an issue wow i had never linked these together i have  
studied herbs for years on how they can help the human organs so now this  
made it a challenge this project screams yes yes yes i do believe it s possible  
oh and one more yes shirlee aced her project and gave me the brainchild for
