

Korean A Comprehensive Grammar

A Gateway to Understanding: Embark on Your Korean Language Adventure!

If you're looking to unlock the beauty and intricacies of the Korean language, look no further than **"Korean: A Comprehensive Grammar"**. This isn't just a textbook; it's your personal guide, a meticulously crafted roadmap that transforms the often-daunting task of language learning into an engaging and deeply rewarding experience. Prepare to be captivated from the very first page!

What sets this book apart is its incredible ability to paint a vivid, imaginative picture of the Korean language. While it's a grammar book at its core, the authors have managed to infuse it with a sense of wonder, making each new concept feel like discovering a hidden treasure. You'll find yourself drawn into the logic and elegance of Korean, appreciating its unique structure not as a hurdle, but as a fascinating puzzle to solve. The way complex grammatical points are presented feels intuitive, almost as if the book is whispering the secrets of Korean directly to you.

Beyond its academic rigor, **"Korean: A Comprehensive Grammar"** possesses an unexpected emotional depth. It acknowledges the journey of learning a new language, celebrating every small victory and offering gentle encouragement through challenges. You'll feel a sense of connection to the language and its culture, fostering a genuine appreciation that goes far beyond rote memorization. This emotional resonance makes the learning process feel more personal and, dare I say, magical. It truly appeals to readers of all ages, from curious young adults eager to explore new horizons to seasoned professionals seeking to expand their linguistic toolkit.

The book's universal appeal is undeniable. Whether you're a complete beginner or have some prior exposure to Korean, you'll find something to love. For professionals, it offers the clarity and depth needed for effective communication. For young adults, it's an exciting portal to K-dramas, K-pop, and a vibrant global culture. Book clubs will discover a shared journey of exploration, with ample discussion points and opportunities to practice together. The comprehensive nature ensures that no stone is left unturned, providing a solid foundation for fluency.

Imaginative Setting: The book makes grammar feel like an adventure, not a chore.

Emotional Depth: It connects with learners on a personal level, celebrating progress.

Universal Appeal: Perfect for everyone, from beginners to advanced learners, young and old.

Comprehensive Coverage: Leaves no grammatical stone unturned.

Encouraging Tone: Makes learning feel achievable and enjoyable.

"Korean: A Comprehensive Grammar" is more than just a resource; it's an invitation. An invitation to connect with a rich culture, to broaden your understanding of the world, and to experience the joy of mastering a new skill. This book is a timeless classic, a testament to the power of clear, engaging, and heartfelt instruction. It's the kind of book that stays with you, a constant companion on your language learning quest.

In conclusion, if you're ready to embark on a truly transformative language learning journey, pick up **"Korean: A Comprehensive Grammar."** It's a heartfelt recommendation for anyone who has ever dreamed of speaking Korean, offering a path to fluency that is both illuminating and incredibly enjoyable. This book doesn't just teach you Korean; it inspires you to fall in love with it. It's a journey worth taking, and one that will undoubtedly enrich your life in countless ways. You won't regret experiencing this magical exploration of the Korean language!

from the time when we started collaborating as a team in the 1960s we envisaged not a grammar but a series of grammars in 1972 there appeared the first volume in this series a grammar of contemporary english gce this was followed soon afterwards by two shorter works a communicative grammar of english cge and a university grammar of english uge published in the united states with the title a concise grammar of contemporary english with a comprehensive grammar of the english language we attempt something much more ambitious a culmination of our joint work which results in a grammar that is considerably larger and richer than gce and hence superordinate to it yet as with our other volumes since gce it is also a grammar that incorporates our own further research on grammatical structure as well as the research of scholars worldwide who have contributed to the description of english and to developments in linguistic theory preface

excerpt from a comprehensive grammar of the english language for the use of schools in regard to the arrangement of matter eu important item i venture to claim for the book a superiority over every other of its kind it is well known that science and literature languished until bacon and shakespeare emancipated them from the thralldom of ancient opinions and as latin grammars were first made and english grammars modeled after them the latter have probably suffered from a similar dominion a language that has many inflections may well have its etymology taught as a separate branch but a language like ours whose actual inflections might all be printed on two or three pages needs to such treatment besides words have etymology because they have syntax the very existence of the one implying the other and to stop with etymology is to leave the work half finished the greatest stickler for separating them in our language has failed to draw the dividing line and much of the etymology taught in our grammars as in the cases of nouns is sheer syntax every teacher of experience too must have observed how wearisome to pupils is the long desert of etymology before they see its application in syntax and then they often do not get the full benefit of this because they have but a faint and confused recollection of the other moreover by the usual system almost the whole grammar must be learned before any practical benefit is derived from it and as children in many parts of the country can attend school only a part of each year the consequence is that they begin their grammar anew from year to year get tired of its technical jargon and derive at last but little benefit from the study by the arrangement in this treatise each section bears its own fruit and will be of permanent value whether any further progress is made or not the book too can be more conveniently resumed at the beginning of any section parsing and analysis have not only been made full but stripped of much superfluous machinery doctrines and classifications have in many places been simplified and abridged and for some of the insufficient articles in our grammars have been substituted others that are altogether more substantial the book comprises both a primary and a higher grammar and is in the highest sense progressive and philosophical it is built up in part first by a regular synthesis from the alphabet to analysis in part second from pronunciation to versification and closes with a thorough and well authorized section on punctuation as teaching the finish to the whole in other grammars most of the doctrine is printed in small type and the exercises are printed in larger this may be more agreeable to the teacher but it is less so to the learner i have given the main principles first in large type and apart from the examples then the exercises in type sufficiently large and lastly the unimportant doctrine in smaller type under the head of observations and at the end of each section the best modes of teaching and learning have been constantly kept in mind but of course no reasonable teacher or learner will imagine that the grammar of a mighty language of a language that reaches

into every fibre of human knowledge can be learned without labor or in six lessons 1 a full preface explanatory and defensive would require many pages i therefore leave the work without further remark to the candor judgment and research of the reader about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com

ukranian a comprehensive grammar is the first true reference grammar of ukranian published outside the ukraine it will be the standard reference work for years to come

bengali a comprehensive grammar is a complete reference guide to bengali grammar it presents a fresh accessible and thorough description of the language concentrating on the real patterns of use in modern bengali the book moves from the sounds and script through morphology and word classes to a detailed analysis of sentence structures and semantic features such as aspect tense negation and reduplication the grammar is an essential reference source for the learner and user of bengali irrespective of level it is ideal for use in schools colleges universities and adult classes of all types with clear and simple explanations this book will remain the standard reference work for years to come for both learners and linguists alike the volume is organized to promote a thorough understanding of bengali grammar it offers a stimulating analysis of the complexities of the language and provides full and clear explanations throughout the emphasis is on bengali as used by present day native speakers an extensive index and numbered paragraphs provide readers with easy access to the information they require features include detailed treatment of the common grammatical structures and parts of speech extensive exemplification particular attention to areas of confusion and difficulty bengali english parallels highlighted throughout the book
