this book offers fresh critical insights into shakespeare in hong kong japan and taiwan it recognises that shakespeare in east asian education is not confined to the classroom or lecture hall but occurs on diverse stages it covers multiple aspects of education policy pedagogy practice and performance beyond researchers in these areas this book is for those teaching and learning shakespeare in the region those teaching and learning english as an additional language anywhere in the world and those making educational policies resources or theatre productions with young people in east asia

examines queen elizabeth i s complex courtships revealing how her romantic and political decisions shaped her reign as england s virgin queen the many courtships of the woman who became elizabeth i began when she was an infant displayed before foreign ambassadors who

considered her as a possible clause of a contract between england and france from such an unromantic beginning elizabeth grew to see her father marry multiple times and experienced frequent changes in stepmothers and status in the family eventually she became the most eligible woman in europe from start to finish her marriage prospects were as much political as they were personal when she came to the throne in 1558 the primary question facing everyone from foreign monarchs to english nobles and ministers was which of her many suitors would finally win her hand through the longest tudor reign elizabeth used courtship as a tool to consider foreign alliances hold ambitious english courtiers in check and navigate her role as a woman ruler in a world that considered her unnatural without a man at her side elizabeth was in fact always the virgin queen from the early days as a twenty five year old presenting herself as a potential royal bride to her final years as an ageing and unmarried woman who was destined to end the tudor dynasty ultimately she became the only monarch in england to rule as an adult and never marry through it all as friends and potential lovers faded away she clung to the one true love of her life england

death is not only the final moment of life it also casts a huge shadow on human society at large people throughout time have had to cope with death as an existential experience and this also of course in the premodern world the contributors to the present volume examine the material and spiritual conditions of the culture of death studying specific buildings and spaces literary works and art objects theatrical performances and medical tracts from the early middle ages to the late eighteenth century death has always evoked fear terror and awe it has puzzled and troubled people forcing theologians and philosophers to respond and provide answers for questions that seem to evade real explanations the more we learn about the culture of death the more we can comprehend the culture of life as this volume demonstrates the approaches to death varied widely also in the middle ages and the early modern age this volume hence adds a significant number of new facets to the critical examination of this ever present phenomenon of death exploring poetic responses to the black death types of execution of a female murderess death as the springboard for major political changes and death reflected in morality plays and art

a military historian assesses the leadership style of the man who defeated napoleon the duke of wellington s victory at the battle of waterloo cemented his reputation as a great general and much subsequent writing on his career has taken an uncritical sometimes chauvinistic view of his talents little has been published that fully pins down the reality of wellington s leadership clearly identifying his weaknesses as well as his strengths george e jaycock in this perceptive and thought provoking reassessment does not aim to undermine wellington s achievements but to provide a more nuanced perspective he clarifies some simple but fundamental truths regarding his leadership and his performance as a commander through an in depth study of his actions over the war years of 1808 to 1815 the author reassesses wellington s effectiveness as a commander the competence of his subordinates and the qualities of the troops he led his study gives a fascinating insight into wellington s career and abilities wellington s command is absorbing reading for both military historians and those with an interest in the napoleonic period

a record of the publications of the year arranged in a numerical sequence with full details of the books and two indexes 1 subjects and titles 2 authors

collins international primary english offers full coverage of the cambridge primary english curriculum framework 0058 from 2020 within a six level multi component course which has been carefully developed to meet the needs of teachers and students in the international market

the health systems we enjoy today and expected medical advances in the future will be difficult to finance from public resources without major reforms public health spending in oecd countries has grown rapidly over most of the last half century these spending increases have contributed to important progress in population health for example life expectancy at birth has increased rising on average by ten years since 1970 the challenge now is to sustain and enhance these achievements in a context of tight fiscal constraints in many countries combined with upward pressure on health spending from factors such as new technological advances and demographic changes finding policies that can make health spending more sustainable without compromising important achievements in access and quality requires effective co operation between health and finance ministries sound governance and co ordination mechanisms are therefore essential to ensure effective policy choices prepared by both public finance and health experts this report provides a unique detailed overview of institutional frameworks for financing health care in oecd countries one of the main features of this book is a comprehensive mapping of budgeting practices and governance structure in health across oecd countries
