in corporate responsibility and human rights jide james eluyode provides a comprehensive analysis of critical human rights developments and topical issues and trends in corporate social responsibility practices james eluyode examines how corporate entities fulfill their responsibility to respect human rights in general and indigenous peoples rights in particular given the momentous impact of corporate projects and recent developments in the area of international human rights james eluyode contends that the establishment of a universally binding corporate code of conduct is inescapable and concludes that respect for human rights by corporations is not simply a discretionary moral or binding legal matter but a bottom line issue

the notion of human dignity plays a central role in human rights discourse according to the universal declaration of human rights recognition of the inherent dignity and inalienable rights of all members of the human family is the foundation of freedom justice and peace in the world the international covenants on economic social and cultural rights and on civil and political rights state that all human rights derive from inherent dignity of the human person some modern constitutions include human dignity as a fundamental non derogable right others mention it as a right to be protected alongside other rights it is not only lawyers concerned with human rights who have to contend with the concept of human dignity the concept has been discussed by inter alia theologians philosophers and

anthropologists in this book leading scholars in constitutional and international law human rights theology philosophy history and classics from various countries discuss the concept of human dignity from differing perspectives these perspectives help to elucidate the meaning of the concept in human rights discourse

this volume covering entries t z presents information on those acts that fall within the definitions developed over the past century of crimes under international law war crimes genocide and crimes against humanity

clearing a space for human action demonstrates how karl barth s concern for ethical description cannot be separated from his concern for a proper theological description of the god human relationship early in his career barth attempted to describe human ethical agency in terms that respected the co inherence of dogmatics and ethics but in such a way that neither human nor divine agency suffered absorption into the other this book s conclusion calls for a treatment of barth s dogmatics as a sustained theological ethical ontology only then can we hope to understand barth s treatment of the human and the divine in other parts of the dogmatics

how can humans learn to function most effectively in their individual and social lives and best approach important ethical and social concerns developing sanity in human affairs answers this question through application of general semantics to the fields of education counseling communication critical thinking journalism and ethics general semantics developed by alfred korzybski is concerned with how humans can learn to evaluate and act more responsibly in conducting their individual and social lives the chapters in this collection deal with these issues in education and counseling social and cultural areas critical thinking communications humanism and ethics highlights include the alfred korzybski memorial lecture which bridges past and present work in general semantics and applications to important current problems in media and other areas of communication traditional and revisionist perspectives on foundations in general semantics are presented as are dialogues on critical thinking and general semantics
