kushiel's scion stolen tortured and enslaved as a young boy imriel is now a prince of the blood third in line for the throne in a land that revels in art beauty and desire it is a court steeped in deeply laid conspiracies and there are many who would see the young prince dead some despise him out of hatred for his mother melisande who nearly destroyed the entire realm in her quest for power others because they fear he has inherited his mother's irresistible allure and her dangerous gifts as he comes of age plagued by unwanted desires imriel shares their fears the prince must face his greatest test to find his true self kushiel's justice after a year abroad to study at university imriel returns from his adventures a little older and somewhat wiser but perhaps not wise enough what was once a mere spark of interest between himself and his cousin sidonie now ignites into a white hot blaze but from commoner to peer the whole realm would recoil from any alliance between sidonie heir to the throne and imriel who bears the stigma of his mother's misdeeds and betrayals praying that their passion will peak and fade imriel and sidonie embark on an intense secret affair when duty calls imriel honors his role as a member of the royal family by leaving to marry a lovely if merely sweet alban princess kushiel's mercy having paid dearly for ignoring elua's edict to love as thou wilt imriel and sidonie have finally come forward to publicly confess their love for each other only to watch the news ignite turmoil throughout the land those who are old enough cannot forget the misdeeds of imriel's mother melisande whose self-serving lies plunged their country into war in order to quell the uprising queen ysandre hands down a decree she will not divide the lovers but neither will she acknowledge them and if they decide to marry sidonie will be disinherited that is unless imriel can find his mother and bring her back to terre d'ange to be executed for treason

a decade of peace has passed in terre d'ange the country founded by the god elua since the world's most famous courtesan saved her queen from assassination phèdre n delauny has been enjoying a quiet life until a prophetic dream calls upon her to serve her gods one last time but what they ask may be too painful for even an anguissette to bear when the young son of the traitor melisande shahrizai imriel de la courcel who stands third in line for the crown is kidnapped phèdre enters an uneasy bargain to find the boy in exchange for the information that will free her beloved childhood friend hyacinthe from his eternal imprisonment as the new master of the straits when it

becomes clear that imriel's disappearance is part of a larger far darker scheme phèdre knows it is her sacred duty to end it at her side is her loving consort josselin who will also risk losing himself in phèdre's gamble to rescue imriel and save her country from a spreading darkness and beyond her doubt her fear dangles the promise of a holy mystery so great that it could transform phèdre into justice incarnate or consume her in the flames of her own passion all of phèdre's journeys have led here to the grandest of conclusions in an epic tale of fantasy adventure and above all love kushiel's avatar is the stunning conclusion to jacqueline carey's epic trilogy at the publisher's request this title is being sold without digital rights management software drm applied

i was afraid of the dark tide that stirred in me i did not want any part of my mother's blood and yet it called to me imriel de la courcel third in line to the throne was enslaved and tortured as a boy leaving him scarred and wary of his future son of a traitor imriel fears the dangerous passions of his bloodline and his potential for destruction his beloved stepmother exotic and lovely has trained him in the arts of covertcy espionage skills that will either serve his country well or draw him into a web of corruption and treachery imriel will need all of these resources as he travels incognito to escape the demands of court and family what he discovers is not freedom but a city at war and a political game so deep that he may never escape its net
