an intriguing exploration of the great transition between life and the after life

L'homme se réduit-il à sa dimension corporelle et psychique comme tend à l'affirmer le scientisme contemporain ? Les diverses traditions spirituelles ont toutes prétendu que non. Partant des conceptions du psychothérapeute allemand Karlfried Graf Dürckheim, l'auteur montre que ce que celui-ci nomme être essentiel rejoint ce que dans la tradition chrétienne, en particulier mais aussi au-delà, on a appelé la dimension proprement spirituelle de l'homme qui lui permet de se brancher sur le divin.

This book is divided into three volumes with ten sections. The book was written in the latter part of 1925 and completed in June 1927. The following explanation by the author himself on the nature of the book is quoted from an announcement in issue no 3 of the present testimony. This book puts particular emphasis on spiritual reality. Hence what is covered in each volume can all be attested in experience. Nothing is there as an empty word. The most frustrating experience of believers today is that in seeking progress on the spiritual path they do not find the proper way. As a result they grope in darkness, being at times high or low, lingering around the crossroads year in and year out and having no one to consult for direction. The author of this book was such a one. For this reason the book emphasizes clear guidance on the proper path. Every chapter of this book is intended to guide believers on the right course. Therefore all those who seek after God with an honest heart can go step by step accordingly. Almost every chapter begins from the perspective of the sinner and proceeds step by step toward the peak of spiritual life. The whole book covers a wide scope. Every question concerning the spiritual life that the believers want to know but cannot answer is explained here. For example, difficult matters such as hearing God's voice and understanding God's will are all clearly explained. After reading this book, all major spiritual problems will be fully resolved: regeneration, salvation, sanctification, denying the self, the filling of the Holy Spirit and power, the baptism of the Spirit, fellowship, prayer, Bible study, identification in death, the flesh, the soulful life, the emotion, supernatural experiences, miracles, the discernment of true and false, speaking in tongues, the intuition, the conscience, revelation of God, spiritual work, warfare with Satan, the evil spirits, demon possession, the free will, the renewing of the mind, passivity, consecration, affection, the feeling of coldness and hotness, the body, illness, the way to escape death, and countless other subjects are explained in the deepest as well as the simplest way. If a believer wants to walk on the proper spiritual course, he must read this book. If anyone wants to help others and explain to others their true condition, they also cannot skip this book. All who read this book will find light even on many ordinarily overlooked topics. Even a matter as familiar as regeneration will be understood in a way that was unthought of before.

Bien peu d'enfants de Dieu comprennent que l'autorité spirituelle passe d'abord par la soumission aux autorités que Dieu a instituées. Qui se rebelle contre l'autorité se rebelle contre Dieu. L'obéissance vaut mieux que les sacrifices. La raison est que la véritable obéissance ou soumission n'est possible que si l'on désire vraiment la volonté de Dieu. Là est la clé du problème. Là est le prix à payer. Que celui qui a des oreilles entende ce que Watchman Nee a à dire aux chrétiens. Il représente l'autorité que Dieu a conférée à quiconque désire vraiment l'autorité spirituelle. L'écouter.
