es la justicia social un ideal fuera de nuestro alcance o una posibilidad real más allá del discurso intelectual la idea de la justicia desempeña un importante papel en nuestras vidas amartya sen ofrece una alternativa a las teorías convencionales de la justicia que a pesar de sus muchos logros hace tiempo que dejaron atrás las realidades prácticas desde la ilustración las teorías dominantes han tendido a ocuparse de identificar las disposiciones sociales perfectamente justas y definir la naturaleza de la sociedad perfecta sen entregado a la reducción de la injusticia centra su enfoque en los juicios comparativos de lo que es más o menos justo y en evaluar los méritos de ciertas instituciones e interacciones sociales en el núcleo de su reflexión subyace el respeto por las diferentes percepciones de la sociedad justa muy distintas convicciones pueden ofrecer soluciones

claras directas y defendibles la perspectiva de sen uno de los pensadores más influyentes de nuestra era hace uso de esa pluralidad con el fin de construir una teoría de la justicia para el mundo moderno capaz de absorber distintos puntos de vista y resolver las cuestiones de injusticia global sen es uno de los grandes pensadores de nuestra era the times leer las razones de la justicia es como asistir a una clase magistral de razonamiento práctico Ésta es una obra monumental the independent

is justice an ideal forever beyond our grasp or something that may actually guide our practical decisions and enhance our lives in this wide ranging book amartya sen presents an alternative approach to mainstream theories of justice which despite their many specific achievements have taken us he argues in the wrong direction in general at the heart of sen s argument is his insistence on the role of public reason in establishing what can make societies less unjust but it is in the nature of reasoning about justice argues sen that it does not allow all questions to be settled even in theory there are choices to be faced between alternative assessments of what is reasonable sen also shows how concern about the principles of justice in the modern world must avoid parochialism and further address questions of global injustice the breadth of vision intellectual acuity and striking humanity of one of the world s leading public intellectuals have never been more clearly shown than in this remarkable book

this book deals with the fascinating debate over the concept of justice proposed by two contemporary thinkers namely john rawls and amartya sen justice means what is just but how do we know what is just what would be the viable criterion to legitimize justice is justice objective or subjective is justice a matter of ontological issue or an issue of realization what would be the paradigm of justice these are some important issues discussed in the book please note taylor francis does not sell or distribute the hardback in india pakistan nepal bhutan bangladesh and sri lanka

this paper carries out a brief analysis of amartya sen s thinking on justice based on part iv of his book the idea of justice besides of describing sen s thoughts on the subject the paper aims to contextualize it in the evolution of sen s work and in the general discussion on justice in economic theory reconsidering his identity as a non utilitarian philosopher and reevaluating its importance in the history of economic thought this work is important because it contributes to a better understanding of the most recent ideas of one of the most influential thinkers in moral discussion

a team of distinguished academics explore the ideas underlying amartya sen s critique of traditional approaches to injustice

desde el principio antes incluso de que el término hubiera nacido en grecia el hombre ha sido un animal político hasta el punto de que uno de los rasgos definitorios de lo humano es precisamente su condición de político su necesidad de organizar la vida en sociedad y lo que se juega en la política no es sólo pese a lo que pudiera parecer en los

tiempos que corren un reparto de cargos o prebendas o ni siquiera el poder sino la regulación de las reglas de convivencia la vida en común de todos en 50 capítulos concisos y enriquecidos con citas y ejemplos contemporáneos el historiador británico ben dupré desgrana con amenidad los fundamentos teóricos y prácticos de la política desde las ideas libertad justicia a las formas de gobierno monarquía democracia tiranía o las ideologías socialismo liberalismo anarquismo y como nada humano le es ajeno a la política aborda también las cuestiones más candentes la corrupción el fundamentalismo la violencia la globalización la corrección política o la influencia de los medios de comunicación actualizado y didáctico este libro ofrece algo más que una introducción a la política es una guía para no perderse en el laberinto de la realidad inmediata

the contributors to this volume discuss current policies and issues in argentina chile colombia mexico peru and the united states as they explore the nature of the relationship among education poverty and inequality the book provides evidence linking school participation the quality of education for poor children in the americas and the impact of education policies to promote social justice

the capabilities approach is a widely influential alternative theory of justice popularized by nobel prize winner amartya sen and also by martha nussbaum justice and the capabilities approach is the first work of its kind to publish in one place the most influential essays in the field covering a number of topics including constitutional law cosmopolitanism distributive justice the family feminism global justice human rights poverty and social justice the collection should help inform both scholars and students coming to the study of the capabilities approach for the first time of both the importance and complexity of the wider debate as well as shed light on how the approach might be further improved and applied

qué es la renta básica por qué la han defendido tanto liberales como socialdemócratas comunistas feministas o ecologistas es eficiente desde el punto de vista del crecimiento económico y de la creación de empleo y sobre todo es justa este libro aborda la que probablemente termine siendo la política redistributiva más importante del siglo xxi en contra de lo que suele pensarse la principal razón por la que el autor rechaza la renta básica no es económica sino ética la solidaridad es un fin muy loable pero no puede ser impuesta por la fuerza no es el fin el que justifica los medios sino que son los medios los que permiten justificar los fines también en el caso de la redistribución estatal de la renta según demuestra rallo analizando críticamente las principales corrientes filosóficas contemporáneas como la socialdemocracia el republicanismo el comunismo el utilitarismo el feminismo o el ecologismo la redistribución coactiva de la renta no puede justificarse desde un punto de vista ético forzar a una persona a subordinar sus proyectos vitales a los proyectos vitales de los demás es injusto intolerante y contrario a las bases sociales de la convivencia

este libro esta dividido en dos partes la revision de la idea de razon publica publicada en 1997 supone una minuciosa reelaboracion de un texto mucho mas breve que el autor

presento por primera vez cuatro años antes en 1993 y es la culminación de sus ideas sobre el liberalismo en su relación con algunos de los problemas más acuciantes de nuestro tiempo. En su versión definitiva el artículo en cuestión expone el modo en que las limitaciones de la razón pública pueden explicarse debidamente atendiendo a conceptos tanto religiosos como no religiosos. Se trata de un detallado relato acerca de las modernas democracias constitucionales basadas en una concepción política liberal y su aceptación por parte de ciertos ciudadanos que no tolerarían doctrinas de ese tipo en campos como la religión, la filosofía o la moral. El derecho de gentes, por su parte, parte de la idea del contrato social y establece los principios generales que pueden y deben ser aceptados por sociedades tanto liberales como no liberales como norma general para sus interrelaciones. En concreto, el texto traza una distinción crucial entre los derechos humanos básicos y los derechos de los ciudadanos de una democracia liberal y constitucional. También explora los términos según los cuales una sociedad de este tipo puede declarar justamente la guerra a otra que no se atenga a esos principios y, en fin, debate los presupuestos morales adecuados que pueden servir como base para prestar ayuda a ciertas sociedades no liberales sometidas a condiciones políticas y económicas claramente desfavorables.

La autora ejemplifica los distintos temas con el estudio del programa para la educación, la salud y la alimentación progresiva que tuvo vigencia de 1997 a 2002 y muestra cómo las discusiones teóricas están implícitas en la aplicación de una política social.
