of the thousands of children and young adults who fled nazi germany in the years before the second world war a remarkable number went on to become trained historians in their adopted homelands by placing autobiographical testimonies alongside historical analysis and professional reflections this richly varied collection comprises the first sustained effort to illuminate the role these men and women played in modern historiography focusing particularly on those who settled in north america great britain and israel it culminates in a comprehensive meticulously researched biobibliographic guide that provides a systematic overview of the lives and works of this second generation

in one volume this authoritative reference presents a current comprehensive overview of intellectual and cognitive assessment with a focus on practical applications leaders in the field describe major theories of intelligence and provide the knowledge needed to use the latest measures of cognitive abilities with individuals of all ages from toddlers to adults evidence based approaches to test interpretation and their relevance for intervention are described the book addresses critical issues in assessing particular populations including culturally and linguistically diverse students gifted students and those with learning difficulties and disabilities in today s educational settings

in 1797 robert southey published a richly detailed account of his journey in spain and portugal between december 1795 and may 1796 from his arrival in coruna in the northwest of the spanish coast to the heart of castile and into madrid before making his way to lisbon structured as a series of letters written as he travelled across the iberian peninsula letters written during a short residence in spain and portugal engages with the tradition of english travelogues while borrowing traits from other genres such as the journal translation literary criticism history and the picturesque guidebook on his way southey comments on every aspect of spanish and portuguese society from local food and wine bizarre customs literature and theatregoing to iberian politics and religion in his letters

southey who would grow to become one of the leading hispanists in late georgian england contrasts the political religious cultural and social systems of britain and two of the oldest nations in the european continent in a way that raises important questions about cultural contact and transmission during the romantic period this edition critically reassesses letters written during a short residence in spain and portugal by looking at southey s deeply ambiguous cultural cosmopolitanism and his life long investment in all things spanish and portuguese
