how did our ancestors use the concept of demons to explain sleep paralysis is that carving in the porch of your local church really what you think it is and what s that tapping noise on the roof of your car the fields of folklore have never been more popular a recent resurgence of interest in traditional beliefs and customs coupled with morbid curiosities in folk horror historic witchcraft cases and our superstitious past have led to an intersection of ideas that is driving people to seek out more information tracey norman author of the acclaimed play witch and mark norman creator of the folklore podcast lead you on an exploration of those more salubrious facets of our past highlighting those aspects of our cultural beliefs and social history that are less wicker basket and more wicker man

the psychopolitics of food probes into the contemporary foodscape examining culinary practices and food habits and in particular the ways in which they conflate with neoliberal political economy it suggests that generic alimentary and culinary practices constitute technologies of the self and the body and argues that the contemporary preoccupation with food takes the form of rites of passage that express and mark the transition from a specific stage of neoliberal development to another vis à vis a re configuration of the alimentary and sexual regimes even though these rites of passage are taking place on the borders of cultural bi polarities their function nevertheless is precisely to define these borders as sites of a neoliberal transitional demand that is to produce a cultural bifurcation between eating orders and eating dis orders by promoting and naturalising certain social logics while simultaneously rendering others as abject and anachronistic the book is a worthwhile read for researchers and advanced scholars in the areas of food studies critical psychology anthropology and sociology

approximately 25 billion women become menopausal every year an increasing number of hormonal preparations for the management of menopausal symptoms are available yearly based on the latest evidence this book reviews hormonal and non hormonal treatments evaluates the role of hrt in osteoporosis and cardiovascular disease prevention and assesses the risk factors associated with the new therapeutic options highlighted practical recommendations are provided throughout this concise guide

business during the week was very dull the great plague of the year cholera is driving every country person and merchants from surrounding cities away the city looks like a desert compared to its usual animated appearance last week ending the 6th there were 78 deaths from it altogether 173 this week ending yesterday 278 deaths 189 from cholera people parting for a day or so bid farewell to each other my partners family are fortunately in the country i and clemens sleep in the same bed in case of a sudden attack to be within groaning distance diary entry for sunday may 13th 1849 joseph j mersman was a liquor merchant a german american immigrant who aspired with success to become a self made man the diary he kept from 1847 to 1864 provides an intriguing account of life in cincinnati and st louis america s emerging frontier outside of gold rush diaries and emigration journals few narrative records of the antebellum period have been published as a record of both the man and the time in which he lived the whiskey merchant s diary is a valuable resource for social historians providing significant details about bachelorhood whiskey making ballroom dancing circus history card games steamboat transportation gender roles theater history and victorian etiquette the diary is also the story of a man who confronted serious disease and his descriptions of cholera and syphilis are exceptional complemented by photographs maps and period advertisements the diary reveals how a german american businessman worked to establish himself in his newly adopted country during an era that was rife with opportunity linda a fisher s professional training as a physician makes the public health aspect of this project particularly valuable and her annotations throughout serve to emphasize the significance of mersman s firsthand observations

this quirky yet important book breaks new ground in the study of gaelic ireland by exploiting the rich source material contained in the sixteenth century annals of ulster annals of connacht the annals of loch cé and the four masters while attention has previously been paid to poetry in irish as a source for the history of the 16th century the richness of the prose sources have not been exploited by historians the annals contain a series of short accounts of events arranged by year the storytelling of the annalists provides the

openings into the past that are the key to this book which uses seven of their longer stories to examine at micro level aspects of gaelic society that created them the significance of each story is illuminated by reference to other contemporary evidence including the genealogies and the poetry the text is provided in both the original irish with an english language translation with extensive writings placing the passages in their historical time

that most artistic creations will sink into shadow is inevitable after all entire ages of history have fallen into neglect along with their art yet this unjust oblivion can and should be challenged in this collection of poetry the author assaults not only the neglect into which a fascinating epoch has fallen but also the disappearance of numerous writers once considered significant voices in american poetry
