the jungians a comparative and historical perspective is the first book to trace the history of the profession of analytical psychology from its origins in 1913 until the present as someone who has been personally involved in many aspects of jungian history thomas kirsch is well equipped to take the reader through the history of the movement and to document its growth throughout the world with chapters covering individual geographical areas the uk usa and australia to name but a few in some depth he also provides new information on the ever controversial subject of jung s relationship to nazism jews and judaism a lively and well researched key work of reference the jungians will appeal to not only to those working in the field of analysis but would also make essential reading for all those interested in jungian studies

jungian psychology has taken a noticeable political turn in the recent years and analysts and academics whose work draws on jung s ideas have made internationally recognised contributions in many humanitarian communal and political contexts this book brings together a multidisciplinary and international selection of contributors all of whom have track records as activists to discuss some of the most compelling issues in contemporary politics analysis and activism is presented in six parts section one interventions includes discussion of what working

outside the consulting room means and descriptions of work with displaced children in colombia projects for migrants in italy and of an analyst s engagement in the struggles of indigenous australians section two equalities and inequalities tackles topics ranging from the collapse of care systems in the uk to working with victims of torture section three politics and modernity looks at the struggles of native people in guatemala and canada and oral history interviews with members of the chinese vietnamese diaspora section four culture and identity studies issues of race and class in brazil feminism and the gendered imagination and the introduction of obamacare in the usa section five cultural phantoms examines the continuing trauma of the cultural revolution in china jung s relationship with jews and judaism and german jewish dynamics finally section six nature truth and reconciliation looks at our broken connection to nature town and country planning and relief work after the 2011 earthquake in japan there remains throughout the book an acknowledgement that the project of thinking forward the political in jungian psychology can be problematic given jung s own questionable political history what emerges is a radical and progressive jungian approach to politics informed by the spirit of the times as well as by the spirit of the depths this cutting edge collection will be essential reading for jungian and post jungian academics and analysts psychotherapists counsellors and psychologists and academics and students of politics sociology psychosocial studies and cultural studies

first multi year cumulation covers six years 1965 70

the 17th triannual congress of the international association for analytical psychology took place in cape town south africa in august 2007 the plenary presentations are printed in this volume a cd with all the congress presentations and a selection of images is also included listed here are just a few of the many presentations journeys encounters clinical communal cultural by joe cambray how does one speak of social psychology in a nation in transition by mamphela ramphela trauma forgiveness and the witnessing dance making public spaces intimate by pumla gobodo madikizela shifting shadows shaping dynamics in the cultural unconscious by catherine kaplinsky journey to the center images of wilderness and the origins of the southern african association of jungian analysts by graham s saayman panel prehistoric rock art the biped surprised by christian gaillard and harnessing the brain vision and shamanism in upper paleolithic western europe by j d lewis williams
