the basic text describing how this twelve step fellowship interprets aa s program to give support to recovering sex addicts includes many personal stories

neuroscience now shows us in living color thanks to pet scans and fmri technology that falling in love affects our brains precisely the same way as snorting cocaine award winning author and screenwriter ethlie ann vare already knew that she s been addicted to both she survived to tell the tale with humor honesty and hope just because something is addictive doesn t mean that you will get addicted to it but if your stomach ties up in knots while you count the seconds waiting for a phone call from that special someone if you hear a loud buzzing in your ears when you see a certain person s car or one just like it if your eyes burn when you hear a random love song or see a couple holding hands if you suffer the twin agonies of craving for and withdrawing from a series of unrequited crushes or toxic relationships if you always feel like you re clutching at someone s ankle

and dragged across the floor as they try to leave the room welcome to the club with a light touch and a sharp wit ethlie has enlisted some famous love junkies including supermodel amber smith movie star william mcnamara and comedienne margaret cho and the top therapists and researchers in the field to help lead you from the dark of despair into the dawn of recovery

this is the first comprehensive volume of the clinical management of sex addiction collecting the work of 28 leaders in this emerging field the editors provide a long needed primary text about how to approach treatment with these challenging patients the book serves as an excellent introduction for professionals new to the field as well as serving as a useful reference tool the contributors are literally the pioneers of one of the last frontiers of addiction medicine and sex therapy with a growing awareness of sex addiction as a problem plus the advent of cybersex compulsion professional clinicians are being confronted with sexual compulsion with little clinical or academic preparation this is the first book distilling the experience of the leaders in this emerging field with a focus on special populations it also becomes a handy problem solving tool readable concise and filled with useful interventions it is a key text for a problem clinicians must be able to identify it is destined to be a classic reference

giordano an established scholar in behavioral addictions has provided a landmark clinical reference book this text provides the quintessential guide to understanding process addictions with detailed attention to assessment and treatment that is unparalleled in the literature this is a must have book for every clinician craig s cashwell ph d lpc ncc acs csat s professor william mary this groundbreaking text a clinical guide to treating behavioral addictions is a must read for counselors and educators alike as a former addictions counselor now counselor educator i found the information in this text timely relevant and instrumental to the work of treating persons with behavioral addictions this go to resource will prove to be invaluable for years to come michael k schmit phd lpc hazelden betty ford graduate school of addiction studies an innovative new text addressing 11 behavioral addictions in detail with a focus on recent neuroscience this practical approachable guide for clinicians comprehensively covers an array of behavioral addictions ranging from internet gaming addiction and sex addiction to social media addiction and food addiction each chapter answers foundational questions to inform clinical practice including how do i conceptualize it how do i identify it how do i assess it how do i treat it and how do i learn more through this innovative resource clinicians will gain valuable knowledge regarding the conceptualization identification assessment and treatment of behavioral addictions each chapter highlights the most current research related to specific behavioral addictions provides a synthesis of recent neuroscience and examines diverse treatment approaches to fit the widest range of clinical styles in addition this book describes the evolving definition of addiction provides examples of how to advocate for clients with behavioral addictions and devotes an entire chapter to understanding the neuroscience of addiction this clinical reference book will help counselors provide compassionate effective services to clients with a variety of behavioral addictions purchase includes digital access for use on most mobile devices or computers key features offers voices from the field sections in which clinicians describe their experiences working with each behavioral addiction includes a chapter completely devoted to the neuroscience of addiction in addition to a synthesis of recent neuroscience in each chapter synthesizes current

research to aid in clinical conceptualizations describes useful assessment instruments and how to access them presents a wide range of treatment approaches and 12 step program options provides abundant resources for further study

behavioural addiction in women gives insight into ongoing research efforts and clinical developments across the globe focusing specifically on women with behavioural addictions the book brings together an international network of clinicians and researchers to offer a unique transcultural female perspective on female specific aspects of addiction which is underrepresented in the available literature by compiling both research and clinical spotlights focusing on women with behavioural addictions across the six continents the book is an important first step towards building a shared knowledge base on the subject starting from the importance of female specific diagnostic criteria to new therapeutic strategies prevention programs and harm reduction approaches this book will help us gain a better understanding of ongoing work and where to allocate our attention and efforts for helping a vulnerable and in many areas of the world still underserved and economically disadvantaged population the book will be of great interest to researchers and clinicians in the field of addiction

this is not a journey that was undertaken for journalistic purposes it is a painfully honest account of a life crisis that was forced on me by my own behavior and its consequences as such it requires sharing a lot of things i m not proud of and a few things i feel like i should regret a whole lot more than i actually do because unfortunately i am not the hero in this tale i am the villain so begins neil strauss s long awaited follow up to the game the funny and slyly instructive work of immersive journalism that jump started the international seduction community and made strauss a household name revered or notorious among single men and women alike in the truth strauss takes on his greatest challenge yet relationships and in this wild and highly entertaining ride he explores the questions that men and women are asking themselves every day is it natural to be faithful to one person for life do alternatives to monogamy lead to better relationships and greater happiness what draws us to the partners we choose can we keep passion and romance from fading over time his quest for answers takes him from viagra laden free love orgies to sex addiction clinics from cutting edge science labs to modern day harems and most terrifying of all to his own mother what he discovered changed everything he knew about love sex relationships and ultimately himself searingly honest and compulsively readable the truth just may have the same effect on you if the game taught you how to meet members of the opposite sex the truth will teach you how to keep them

this frank straightforward guide treats lovemaking as a joy to be experienced and shared going beyond the usual sex manual to consider sexuality and sensuality in all their many dimensions dr etkes helps couples to communicate gain understanding and break down the barriers that limit sensual love

sex and love addiction definition and overview a diagnostic proposal with neurochemical underpinnings using individual and group therapy in recovery group process issues in men s groups women s issues in addiction recovery integrating sex therapy and addiction recovery the cultural

context of sex and love addiction recovery

weaving threads of jungian analysis with anthropology therapist jed diamond illustrates men s tendencies toward anger and violence from the days of hunter gatherers diamond suggests a revolutionary plan to help men use their strengths to create a better world

this reveals often humorously how single people undermine their own best intentions by giving too much too soon holding back until it s too late focusing too much on chemistry having no dating sense of humor among many other faux pas from the front lines of dating

a balanced text written for counseling students surveying topics in substance abuse and its treatment including examples from the authors own clinical experiences fisher and harrison u of nevada reno take a generalist approach to addiction models assessment and diagnosis intervention and treatment they review current thought on support groups codependency relapse prevention and special cases in ethnically diverse groups as well as related hiv aids issues annotation copyright by book news inc portland or

for many recovering persons unresolved sex issues become powerful triggers for relapse eventually causing too much pain and spoiling a good recovery now a certified sex therapist offers the first book to identify sexual dysfunction as the missing link in recovery from all addictions and describe a recovery program that integrates sex therapy with addiction therapy
