superbly researched and enormously entertaining one of the outstanding books of the year the times an epic story of empire building and bloody conflict this ground breaking biography of one of history's most venerated military and religious heroes opens a window on the islamic and christian worlds complex relationship winner of the slightly foxed best first biography prize when saladin recaptured jerusalem from the crusaders in 1187 returning the holy city to islamic rule he sent shockwaves throughout christian europe and the muslim near east that reverberate today it was the culmination of a supremely exciting life born into a significant kurdish family in northern iraq this warrior and diplomat fought under the banner of jihad but at the same time worked tirelessly to build an empire that stretched from north africa to western iraq gathering together a turbulent coalition he was able to capture jerusalem only to trigger the third crusade and face his greatest adversary king richard the lionheart drawing on a rich blend of arabic and european sources this is a comprehensive account of both the man and the legend to which he gave birth describing vividly the relentless action of his life and tracing its aftermath through culture and politics all the way to the present day an authoritative and brilliantly told account of the life of one of the world's greatest and most famous military leaders peter frankopan

this lab manual can be used with saladin's human anatomy text or it can be used independently the illustrations are labeled therefore students do not need to bring their lecture texts to the lab the lab manual can be used in either a one term or a full year course the illustrations are outstanding and the balanced combination of line art and photographs provides effective coverage of the material the amount of lecture material in the manual is limited so there is little material included that is not part of the laboratory experience

a classic study of saladin the scourge of the crusaders who during the 12th century imposed unity on his dominions retook jerusalem and for a time resisted the third crusade he was a brilliant military leader a diplomat politician and administrator who earned a reputation for honesty and chivalry

this book provides a history of the political relations between the states founded by crusaders and the islamic states with which they waged war

chronicle of a legendary figure by two of his contemporaries

saladin in egypt provides for medievalists the middle eastern context for the rise of saladin to power and his military naval and internal policies in egypt for scholars of middle eastern history it offers a fresh look at the sources and new interpretation for the demise of the fatimid state
