despite the perennial interest in the american civil war historians have not examined sufficiently how native american communities were affected by this watershed event in u s history this ground breaking book by one of the foremost iroquois historians significantly adds to our understanding of this subject by providing the first intimate look at the iroquois involvement in the american civil war and its devastating impact on iroquois communities both fascinating and fast moving the iroquois in the civil war exposes many myths about native american soldiers to correct old stereotypes about american indians hauptman discusses the iroquois distinguished war service as commissioned and noncommissioned officers as well as ordinary cavalymen and common foot soldiers drawing upon archival records and personal wartime letters and diaries never before used by ethnohistorians hauptman portrays the dilemma the iroquois experienced during this era he assesses the iroquois military volunteerism their loyalty to the union and their concurrent effort to maintain their lands sovereignty and cultural identity just at a time when new pressures for tribal dissolution were increasing he not only provides us with a remarkable glimpse into the hearts and minds of iroquois indians on the battlefield but also adds significantly to our understanding about the conflict affecting the women and children remaining on the reservations

this invaluable resource provides a comprehensive historical and demographic overview of american indians along with more than 100 cross

referenced entries on american indian culture exploring everything from arts literature music and dance to food family housing and spirituality american indian culture from counting coup to wampum is organized by cultural form arts family education and community food language and literature media and popular culture music and dance spirituality and transportation and housing examples of topics covered include icons of native culture such as pow wows indian dancing and tipi dwellings native art forms such as pottery rock art sandpainting silverwork tattooing and totem poles foods such as corn frybread and wild rice and native americans in popular culture the extensive introductory section breadth of topics accessibly written text and range of perspectives from the many contributors make this work a must have resource for high school and undergraduate audiences

combining historical background with discussion of contemporary native nations and their living cultures this comprehensive text introduces students to some of the many indigenous peoples in north america the book is organized into parts corresponding to regional divisions within which similar though not identical cultural practices developed each part opens with an overview of the topography climate and natural resources in the area and describes the range of cultural practices and beliefs grounded in the area subsequent chapters are devoted to specific tribal groups their history and the conditions of contemporary native communities nancy bonvillian provides context for the regional and tribe specific chapters through a brief overview of native american history beginning around 1500 and covering the early period of european exploration and colonization she details both u s and canadian policies affecting the lives cultures and survival of more than five hundred native nations on this continent finally she offers up to date demographics and addresses significant social economic and political issues concerning native communities the second edition features new material throughout including a new two chapter section on the native nations of the plateau expanded introductory material addressing topics such as climate change and recent supreme court decisions up to date demographic and economic data and more

although the montaukett were among the first tribes to establish relations with the english in the seventeenth century until now very little has been written about the evolution of their interaction with the settlers john a strong a noted authority on the indians of new york state s long island has written a concise history that focuses on the issue of land tenure in the relations between the english and the montaukett this study covers the period from the earliest contacts to the new york appellate court decision in 1917 which declared the tribe to be extinct to their current battle for the federal recognition necessary to reclaim portions of their land strong also looks at related issues such as cultural assimilation political and social tensions and patterns of economic dependency among the montaukett

this study aims to test a theory of northern algonkian social organisation developed through a structural analysis of australian hunter gatherer societies and a critical reading of northern algonkian literature analysis of data gathered at shamattawa a swampy cree community in northern

manitoba revealed a close fit between expectation and reality once the effects of euro canadian contact and the fur trade were controlled these findings question the view that cree social organisation was based on genealogical relations extending from the nuclear family and on the institution of cross cousin marriage

no detailed description available for the caddoan iroquoian and siouan languages
