if the world wars defined the first half of the twentieth century the sixties defined the second half acting as the pivot on which modern times have turned from popular music to individual liberties the tastes and convictions of the western world are indelibly stamped with the impact of this tumultuous decade framing the sixties as a period stretching from 1958 to 1974 arthur marwick argues that this long decade ushered in nothing less than a cultural revolution one that raged most clearly in the united states britain france and italy marwick recaptures the events and movements that shaped life as we know it the rise of a youth subculture across the west the sit ins and marches of the civil rights movement britain s surprising rise to leadership in fashion and music the emerging storm over vietnam the paris student uprising of 1968 the growing force of feminism and much more for some it was a golden age of liberation and political progress for others an era in which depravity was celebrated and the secure moral and social framework subverted the sixties was no short term era of ecstasy and excess on the contrary the decade set the cultural and social agenda for the rest of the century and left deep divisions still felt today

in some post industrial areas re designing structural interiors in an attractive way is becoming increasingly important to community members as it helps promote local pride and a higher quality of life design innovations for contemporary interiors and civic art examines novel techniques in structural designs in various cultural and social scenarios featuring innovative application methods emergent trends and research on tools being utilized in the field this publication is a pivotal reference source for designers researchers practitioners and professionals interested in interior design urban culture and structural aesthetics

the arts hold a revered and respected place within modern western society but what exactly defines culture what gives it this enigmatic status what influences its composition and propagation what controls and limitations is it subject to and what can it achieve within our world arthur marwick tackles these issues head on with a both detailed and eclectic account of the arts in the west since the second world war he looks at the full range of possible candidates for the category of art from both elite and popular cultures from high literature to pulp fiction from art house cinema to soap opera art music to rock and pop this book looks at the fascinating diversity of twentieth century art in the context of the social technological and political events movements and developments that have shaped our history such as the holocaust the television feminism marwick examines how these factors have affected the cultural output of western society since 1945 and in turn how art has fed back its own agenda and priorities into this society
