a woman in the audience once handed elvis a crown saying you re the king no honey elvis replied there is only one king jesus christ i m just a singer gary tillery presents a coherent view of elvis s thoughts through such anecdotes and other recorded facts we learn for instance that elvis read thousands of books on religion that his crisis over making bimbo movies like girl happy led him to writers such as gurdjieff krishnamurti and helena blavatsky and that while driving in arizona an epiphany he had inspired him to learn hindu practice elvis came to believe that the christ shines in everyone and that god wanted him to use his light to uplift people and so he did elvis s excesses were as legendary as his generosity yet despite his lethal reliance on drugs he remained ever spiritually curious when he died he was reading a scientific search for the face of jesus this intimate objective portrait inspires new admiration for the flawed but exceptional man who said all i want is to know and experience god i m a searcher that s what i m all about
