why is the middle east entering a new era is it a new dawn is it a setting sun in the third decade of the twenty first century the middle east is entering a new era a multifaceted and intricate equilibrium will write the next chapter of this region the new era we are entering is fraught with challenges and full of opportunities the new era is both defined by and a result of a combination of ancient and modern domestic regional and international processes iran and turkey each strive to position themselves as the regional superpower in parallel the people of the region struggle to overcome increasing domestic challenges these developments combined with an escalating struggle over path identity and direction could result in a new model of statehood in the arab world while some countries take the turbulent path toward a possible new statehood model others are fighting for their sovereignty and survival all of this is occurring while western hegemony in the middle east is coming to an end and the eastern giants are on the rise acclaimed middle east expert an israeli fluent in arabic english and hebrew avi melamed has a proven exceptional

record of foreseeing the evolution of events in the middle east and their impact on a local and regional level in this book melamed takes you on a fascinating eye opening journey through the geopolitical landscape of the middle east in the third decade of the twenty first century he challenges common western concepts narratives and theories and he provides predictions about some of the most central regional issues of the day using primarily sources from the region avi melamed provides a professional rare insider s view and clearly and insightfully contextualizes current regional events inside the middle east entering a new era provides the knowledge and tools to connect the dots this distinct understanding allows the reader to build a multidimensional picture of the geopolitical reality of the middle east today and provides an unparalleled foundation for navigating the events of tomorrow

praised for its straightforward and accessible style this text provides a general introduction to the chief elements in middle eastern history allowing readers to proceed into more specialized topics and themes with a solid understanding of the most current scholarship in the field

the middle east in the world offers students a fresh comprehensive multidisciplinary entry point to the broader middle east after a brief introduction to the study of the region the early chapters of the book survey the essentials of middle eastern history important historical narratives and the region s languages religions and global connections students are guided through the material with relevant maps resource boxes and text boxes that support and guide further independent exploration of the topics at hand the second half of the book presents interdisciplinary case studies each of which focuses on a specific country or sub region and a salient issue offering a taste of the cultural distinctiveness of the particular country while also drawing attention to global linkages readers will come away from this book with an understanding of the larger historical political and cultural frameworks that shaped the middle east as we know it today and of current issues that have relevance in the middle east and beyond

praise for the first edition humphreys brings a historian s deep and dispassionate perspective to the modern middle east in between memory and desire he poses incisive questions elaborates convincing arguments and does not shy from tackling the prickliest of topics all this is achieved with an eye for telling detail and a concise style that is rare in academic writing humphreys s work is in the best tradition of writing on foreign cultures objective yet sympathetic scholarly yet accessible his book ends up revealing as much about our own society as about those it describes max rodenbeck new york times book review in this sober and highly informative book humphreys introduces educated readers to the nuances of middle eastern political and social discourse he goes behind the headlines and offers a sophisticated and yet accessible analysis of islamic polity for western readers library journal people know a lot of things that aren t so warns stephen humphreys and then he tells us all we should really know about the middle east a vast complex and frequently misunderstood universe it is a rare achievement that combines

erudition compelling writing and personal experience meron benvenisti author of city of stone

well before events in the soviet union and eastern europe dramatized the rapidity with which a new political world is evolving and before the gulf war sharpened the focus on the middle east agenda scholars and policymakers alike were searching for different concepts for addressing the intractable problems facing the middle east even though the re

this anthology unites in one volume two studies of the greater middle east in global politics each conceptual and empirical first it is a historical comparative study of politics and societies in selected greater middle eastern countries from napoleon s invasion of ottoman egypt in 1798 up until today it addresses development and change in these societies as results of the complex interactions between external developments the rise and expansion of european industrialized powers and internal developments the disintegration of islamic empires their transformation into nation states and their efforts to industrialize and modernize second it is an empirical case study of states and societies of the greater middle east in global politics addressing themes such as nationalism revolution political islam democracy globalization regionalism revolution war energy and conflict and cooperation the book is comprised of three parts and nineteen chapters contributors include mehdi parvizi amineh simon bromley robert m cutler louisa dris aït hamadouche s n eisenstadt femke hoogewezen henk houweling b m jain mehran kamrava roger kangas fred h lawson prithvi ram mudiam nilgun onder wilbur perlot richard pomfret kurt w radtke mirzohid rahimov eva patricia raket and yahia h zoubir

what are the prospects of the middle east region moving from a warfare to a welfare a group of leading scholars of the middle east and north africa political scientists economists sociologists strategic analysts and historians adopt a common political economy approach to answer this much debated question

the revolutionary year of 1958 epitomizes the height of the social uprisings military coups and civil wars that erupted across the middle east and north africa in the mid twentieth century amidst waning anglo french influence growing us ussr rivalry and competition and alignments between arab and non arab regimes and domestic struggles this year was a turning point in the modern history of the middle east this multi and interdisciplinary book explores this pivotal year in its global regional and local contexts and from a wide range of linguistic geographic academic specialties the contributors draw on declassified and multilingual archives reports memoirs and newspapers in thirteen country specific chapters shedding new light on topics such as the extent of anglo american competition after the suez war turkey s efforts to stand as a key pillar in the regional cold war the internationalization of the algerian war of independence and iran and saudi arabia s abilities to weather the revolutionary storm that swept across the region the book includes a foreword from salim yaqub which highlights the importance of jeffrey g karam s collection to the scholarship on this vital moment in the political history of the modern middle east

this book introduces the politics of the modern middle east which includes the countries of the persian gulf the eastern mediterranean countries and north africa it covers the major geographical regions that make up the middle east and summarizes the post world war i history of the middle east

in the aftermath of the collapse of the ussr the american invasion of iraq and the arab uprisings of 2010 11 a new middle east has emerged the syrian civil war has displaced half the country s population and isis and other jihadi groups thrive in the political vacuum there and in iraq setting a new standard for political violence meanwhile regimes in egypt and bahrain have become even more repressive after the uprisings there and libya and yemen have virtually ceased to exist as states the hallmarks of this new middle east are rebellion and repression proxy wars sectarian strife the rise of the islamic state and intraregional polarization international and regional actors stoke the flames with the united states and russia seeking to reposition themselves in the region and saudi arabia and iran vying for supremacy in the long term perils including climate change food and water insecurity and population growth along with bad governance and stagnant economies will determine the destiny of the region in the new middle east what everyone needs to know renowned middle east scholar james l gelvin explains all these developments and more in a concise question and answer format outlining the social political and economic contours of the new middle east he illuminates the current crisis in the region and explores how the region will continue to change in the decades to come

this edited volume discusses security policy and strategic policymaking in the middle east region due to its unique geopolitical geoeconomic and geostrategic features the middle east region has been confronted with challenging security issues combined with a lack of an efficient regional security regime this has led to the formation of a full fledged arms race this book draws together contributions from international experts to address the factors that have been contributing to the ongoing formation of an arms race in the middle east as well as the impact of this phenomenon on the regional and global security environment the book is organized in three sections the first section outlines the contemporary dynamics of the arms race in the middle east by focusing on its most recent dynamics and their implications for regional and international security the second section conducts systematic analysis of case studies of country specific drivers of the arms race the third and final section examines the role of external actors in the arms race evaluating both the responses of regional actors to external interventions as well as the implications of the arms race for extra regional countries

the history of the middle east is long and complex in the major muslim nations series the term middle east refers to the region encompassing 23 countries algeria bahrain djibouti egypt iran iraq israel jordan kuwait lebanon libya mauritania morocco oman qatar saudi arabia somalia sudan syria tunisia turkey united arab emirates and yemen this book provides an overview of the history of the middle eastern countries along with information about the region s geography central religious beliefs governments and economies of the

various states cultural groups and important communities
