while confidential informants ci s can play a crucial role in police investigations they also have the potential to cause great harm if they are dishonest the process by which police agencies qualify a ci to work and the strength of agency policy may be the source of the problem this brief examines the integrity problem involving cis in police operations within the united states provides an overview of pitfalls and problems related to veracity and informant integrity including the difficulties in detecting when a ci is lying and compares the provisions of actual published police policy to the model ci policy published by the international association of chiefs of police iacp the analysis shows a wide divergence between actual police policy and the national standard promulgated by the iacp the brief provides policy recommendations for improving use of cis that can potentially reduce or eliminate integrity problems that can lead to organizational accidents such as wrongful arrests and convictions injuries or deaths some courts have issued measures to ensure that information received from cis is reliable by examining sworn testimony and documents related to their work however as this brief explores this judicial effort arises only after a police operation has taken place and the use of force even deadly force has already been employed the author proposes integrity testing beforehand which would allow police to have a greater understanding of a ci s motivation ability and veracity when conducting law enforcement operations in addition there are aspects of police policy that can enhance ci management such as training supervision and entrapment that can further guard against integrity problems although integrity testing is not flawless it does interpose an additional step in the ci management process that can help guard against wrongful conviction and perjury that harms the judicial process

this book covers every aspect of the informant and cooperating witness dynamic a controversial technique shrouded in secrecy and widely misunderstood quoted routinely in countless newspaper and magazine articles the first edition was the go to guide for practical effective guidance on this tricky yet powerful tactic extensively updated topics in this second edition include changes in the fbi s informant program changes brought on by immigration reforms recent high profile cases and the changing nature of compensation and cooperation fees it also examines the management of informant driven search warrants and challenges posed by fabricated information

he baffled and eluded law enforcement officers for nearly two decades in the end however it wasn't the painstaking forensic analysis of hundreds of pieces of crime scene evidence that led to the capture of the unabomber but the lucky tip of an informant. Truth of the matter is for all their sophistication and hi tech science crime fighting techniques such as fingerprint and dna analysis are a factor in less than one percent of all criminal cases in the overwhelming number of crimes informants have provided the necessary ammunition needed to bring criminals to justice from genovese to gotti and capone to dillinger. Confidential informant understanding law enforcement's most valuable tool explores the covert and clandestine world of informants revealing the secrets of how to find them and make the most out of them while at the same time avoiding the pitfalls of dealing with them using case studies in which informants played key roles in solving crimes the book examines all aspects of informant development and management from the motivation of the informant to the legal problems that accompany the use of informants in criminal cases written by John Madinger a former narcotics agent supervisor and administrator and currently a senior special agent with the criminal investigation division of the internal revenue service. Confidential informant understanding law enforcement's most valuable tool examines the emotional and behavioral characteristics of the informant as well as the psychology of trust and betrayal the book also illustrates techniques for improving interviewing and communication skills when dealing with informants and provides invaluable forms that can be used in connection with these vital sources of information.

provides in depth information on sources systems and standards for human rights in law enforcement along with practical guidance and annexed international instruments.

this three volume encyclopedia of law enforcement provides a comprehensive critical and descriptive examination of all facets of law enforcement on the state and local federal and national and international stages this work is a unique reference source that provides readers with informed discussions on the practice and theory of policing in an historical and contemporary framework the volumes treat subjects that are particular to the area of state and local federal and national and international policing many of the themes and issues of policing cut across disciplinary borders however and several entries provide comparative information that places the subject in context.
