argues for the necessity of a new ethos for middle class white anti racism building on her book revealing whiteness shannon sullivan identifies a constellation of attitudes common among well meaning white liberals that she sums up as white middle class goodness an orientation she critiques for being more concerned with establishing anti racist bona fides than with confronting systematic racism and privilege sullivan untangles the complex relationships between class and race in contemporary white identity and outlines four ways this orientation is expressed each serving to establish one's lack of racism the denigration of lower class white people as responsible for ongoing white racism the demonization of antebellum slaveholders an emphasis on colorblindness especially in the context of white childrearing and the cultivation of attitudes of white guilt shame and betrayal to move beyond these distancing strategies sullivan argues white people need a new

ethos that acknowledges and transforms their whiteness in the pursuit of racial justice rather than seeking a self righteous distance from it

the government recognises that many lifestyle driven health problems are at alarming levels obesity high rates of sexually transmitted infections a relatively large population of drug users rising levels of harm from alcohol 80 000 deaths a year from smoking poor mental health health inequalities between rich and poor this white paper outlines the government s proposals to protect the population from serious health threats help people live longer healthier and more fulfilling lives and improve the health of the poorest it aims to empower individuals to make healthy choices and give communities and local government the freedom responsibility and funding to innovate and develop ways of improving public health in their area the paper responds to sir michael marmot s strategic review of health inequalities in england post 2010 fair society healthy lives available at marmotreview.org/assetlibrary/pdfs/reports/fairsocietyhealthylives.pdf and adopts its life course framework for tackling the wider social determinants of health a new dedicated public health service public health england will be created to ensure excellence expertise and responsiveness particularly on health protection where a national response is vital the paper gives a timetable showing how the proposals will be implemented and an annex sets out a vision of the role of the director of public health the department is also publishing a fuller story on the health of england in our health and wellbeing today dh.gov.uk/prod/consum/dh/groups/dh/digitalassets/dh/en/ps/documents/digitalasset/dh_122238.pdf detailing the challenges and opportunities and in 2011 will issue documents on major public health issues

if you are an executive who has worked long hours risen to every challenge and built a strong reputation for yourself then why haven t you reached the highest levels of leadership here s a reality check your business achievements and functional skills alone aren t enough to help you get where you want to go what s likely missing is a skill that the world s best corporate leaders have developed mastery of the people side of the equation you must become a leader that others want to work for how do you do that let go of being an expert become a leader of experts if anyone knows what prevents leaders from reaching their full potential it s author brenda bence who has years of experience coaching senior executives at the top levels of major corporations worldwide in would you want to work for you she reveals the 15 most damaging people leadership behaviors that she regularly sees in the workplace and provides you with dozens of tips tools and techniques that you can apply immediately to correct them packed with real life case studies from around the globe this book will help you discover where the world s best business leaders focus their energy get crystal clear about the experience of working with and for you as a leader uncover the 1 reason for unwanted employee turnover and what to do about it motivate even your most challenging and underperforming team members create a winning executive leadership brand the trademarked you inspire others to excellence and fast track your own career in the process brenda bence reveals how you can affect the way your people perceive think and feel about you so that you can become the boss you really want to be read this book it s about you ken blanchard coauthor of the one minute manager and trustworks

religion online provides new insights about religiosity in a contemporary context offering a comprehensive look at the intersection of digital media faith communities and practices of all sorts recent research on apple users

video games virtual worlds artificial intelligence digital music and sports as religion supports the idea that media and religion once considered separate entities are in many cases the same thing new media and religious practice can no longer be detached this two volume set discusses how religionists are embracing the internet amidst cultural shifts of secularization autonomous religious worship millennials affinity for new media and the rise of fundamentalism in the global south while other works describe case studies this book explains how new media are interwoven into the very fabric of religious belief behavior and community chapters break down the past present and projected future of the use of digital media in relation to faith traditions of many varieties extending from mainline christianity to new religious movements the book also examines the impacts of digital media on beliefs and practices around the world in exploring these subjects it calls on the study of culture namely anthropology to conceptualize a technological period as significant as the industrial revolution
