in spiritual life in the congregations a guide for retreats reuben p job answers the questions how can a church prepare for a retreat what is the difference between preparing and planning for a retreat and what happens after a retreat

full kingdom potential says george bullard is a journey not a destination to reach your full kingdom potential its pursuit must be your enduring passion and desire drawing on his more than four decades of experience in congregational leadership bullard offers not just another process for congregational redevelopment he learns from the past to take congregations on a spiritual journey that is open ended custom made and locally owned his focus is on capacity building in each congregation calling for a narrative approach to futuring in the life of congregations that responds to new things god is seeking to do in and through members of the congregation from the tcp leadership series

an indispensable source of advice and encouragement for the small church pastor including how to formulate a mission while understanding the cultures of the community and the church

learn to develop and deliver a biblical sermon that connects with today s audiences preaching god s word is a user friendly and practical homiletics textbook that integrates hermeneutical principles and stresses the importance of a strong exegetical foundation it teaches you how to understand your audience develop powerful applications use illustrations well and communicate effectively preaching god s word addresses how to develop and preach a biblical sermon common issues with biblical preaching and how to avoid them unique challenges and opportunities of preaching from specific biblical genres new testament preaching old testament preaching whether you are a student who is new to preaching or a veteran looking to brush up on your skills you will benefit from this hands on approach to preparing developing and delivering the sermon

congregations often find themselves in power struggles over two opposing views people on both sides believe strongly that they are right they also assume that if they are right their opposition must be wrong classic either or thinking a polarity is a pair of truths that need each other over time when an argument is about two poles of a polarity both sides are right and need each other to experience the whole truth this phenomenon has been recognized

and written about for centuries in philosophy and religion it is at the heart of taoism where we find the familiar polarity of yin and yang energy in the past fifty years business leaders have come to appreciate the phenomenon often called dilemma or paradox no matter what it is called the research is clear leaders and organizations that manage polarities well outperform those who don't

the church gets into trouble whenever it thinks it is in the church business rather than the kingdom business in the church business people are concerned with kingdom activities all human behavior and everything god has made church people think about how to get people into the church kingdom people think about how to get the church into the world

vols for 1905 include also the proceedings of the general conference of the desert sunday school union
