this is a cross linguistic exploration of the use of clause linkage markers in causal conditional and concessive sentences employing a five level classification of clause linkage based on

semantic and pragmatic grounds it shows that within individual languages different markers exhibit different distributions on the five levels also the rich evidence presented from seventeen languages from many parts of the world documents that these distributions present commonalities as well as differences across the languages of the sample

several factors have resulted in increased intra and inter state migration this has led to an increase in the enrollment of students with diverse linguistics backgrounds placing more academic demands on educators linguistic diversity presents both opportunities and challenges for educators across the educational spectrum language ideologies profoundly shape and constrain the use of language as a resource for learning in multilingual or linguistically diverse classrooms while english has become the world language most communities remain and are becoming more and more multicultural multilingual and diverse the handbook of research on teaching in multicultural and multilingual contexts moves beyond the constraints of current language ideologies and enables the use of a wide range of resources from local semiotic repertoires it examines the phenomenon of language use language teaching multiculturalism and multilingualism in different learning areas giving practitioners a voice to spotlight their efforts in order to keep their teaching afloat in culturally and linguistically diverse situations covering topics such as indigenous languages multilingual deaf communities and intercultural competence this major reference work is an essential resource for educators of both k 12 and higher education pre service teachers educational psychologists linguists education administrators and policymakers government officials researchers and academicians

the volume begins by outlining the development of the teacherstudent relationship according to the main psychological theories next it points to the inseparability of cognitive and emotional factors in the learning process by referring to the major positive psychology theories i e broaden and build flow and perma the book lays the foundation for studying the full spectrum of learner emotions experienced while learning a foreign language finally it provides a research based analysis of teacher related variables that affect learner classroom well being and ill being

traces the experiences of yurok high school students and educators as they navigate between native and non native spaces learning to survive explores how native american youth are impacted by formal educational experiences through the insights of students and teachers working to revitalize the yurok language sharing stories of native american resilience amidst

toxic school and community cultures mneesha gellman examines the consequences of the misrepresentation and suppression of indigenous culture in secondary education through personal testimonies and interviews from northern california high schools gellman traces the experiences of students as they navigate their own identities between native and non native spaces and of educators who relate their efforts in providing their students with not just language instruction but a sense of support and community that goes beyond the classroom students and teachers alike detail how they struggle to thrive under systems of white supremacy while protecting and preserving their identity and culture particularly through the work of language education and language keeping learning to survive highlights the profound harm done by perpetuating white supremacy and the importance of investing in culturally sustaining curricula youth well being suffers when students are faced with hostile school environments and when they do not see themselves or their communities truthfully or positively represented in curricula this book calls on adults policymakers teachers families and others to consider what changes we can and should make in our daily work to promote native american well being in schools
