this book is about how the living soul can attain eternal peace and hence eternal life as a living soul would yield it when abiding in the lord jesus christ tapping the lords prayer as the authorized spiritual vehicle to communicate with god this book attests that the name of the lord jesus christ is the foundation the seal of salvation and the bearing point to overcome the world by showing the intrinsic relationship of the invisible with the manifested world the heavenly and the earthly this book lucidly defines why the soul should glorify god as an end to lifes purpose while seeking righteousness and fulfilling the commandments by presenting ground breaking revelations about the spiritual realm and hence the living god through the spiritual compass this book would help the reader to discern wisdom about how to worship the lord in truth and spirit to see the glimpse of eternal life and enjoy eternal peace not as the world offers it but as the lord jesus confers it on the living soul

this open access book gathers selected high quality research papers presented at the tenth international congress on information and communication technology icict 2025 held in london on february 18 21 2025 it discusses emerging topics pertaining to information and communication technology ict for managerial applications e governance e agriculture e education and computing technologies the internet of things iot and e mining written by respected experts and researchers working on ict the book offers an asset for young researchers involved in advanced studies the work is presented in ten volumes

seminar paper from the year 2022 in the subject sociology work education organisation grade a course history language english abstract the main aim of this seminar paper is to analyse the problems of the ethiopian education system from 1941 when the italian rule and domination ended in ethiopia to the downfall of the derg regime in 1991 the sources that the researcher used to accomplish this seminal work came from secondary literature both articles and published books before and after the development of modern education the community s indigenous education and religious education church islamic and later missionaries played an important role in teaching the community since its inception the education system in ethiopia has faced many challenges including opposition from orthodox church leaders the influence of western philosophy a shortage of skilled labour a lack of diversity and a lack of integration of ethiopian indigenous knowledge into the education system the history of the education system in ethiopia went through different political regimes and in all regimes the education system did not reflect the true ethiopian culture social and economic situation the reason is due to the curriculum of the time was designed and developed with the involvement of western expertise it s better to conclude that the education system of ethiopia from its establishment to the 1990s was copied from the western education system this paper discusses the education problems in ethiopia from the post italian occupation to the 1990s in ethiopian educational history after the ethio italian war 1936 1941 the three systems of government that took shape in

ethiopia s education system were the imperia regime the military socialist regime and the current government the issues in ethiopia s education system were that each regime criticized the previous education system rather than building on the former s strengths and developing new policies to support the expected change however the education system and policy government of different regimes developed depended on the ideology they followed and the diplomatic relation they formed this seminar paper discussed these and other related issues of ethiopian education concerns in depth between the aforementioned epochs

one number annually includes the annual report of the president of the american council on education

a selection of passages by foreign travelers in ethiopia over almost two thousand years
