when we speak of god s attributes we are talking about those characteristics that help us to understand who he truly is an attribute of god is not a part of god not component parts of god in other words god is not 15 love 25 holy 5 righteousness 10 mercy etc each attribute describes his total being for example love is not just a part of god s nature god in his total being is love holiness is not just a part of god s nature god in his total being is holy and god will not compromise one of his attributes when exhibiting another attribute of his so we always need to remember that god is the sum of all perfections and because of which we must be careful when we study the attributes of god that we do not emphasize one attribute at the expense of the others what you will find in this book meditating on the attributes of god are just some of his attributes and are in no way thorough as god is
