lutheran churches in the united states have included multiple ethnic cultures since the colonial era and continue to wrestle with increasing internal variety as one component of their identity by combining the concerns of social history with an awareness for theological themes this volume explores the history of this family of lutheran churches and traces the development from the colonial era through the formation of the evangelical lutheran church in america in 1988 an introduction details the origins of lutheranism in the european reformation and the practices significant to the group s life in the united states organized chronologically subsequent chapters follow the churches maturation as they form institutions provide themselves with leaders and expand their membership and geographic range attention is given throughout to the contributions of the laity and women within the context of the lutherans continued individual and corporate effort to be both authentically lutheran and genuinely american offering a rich portrayal of the lutherans lives and their churches the social historical approach of this study brings the lutheran people to the foreground the dynamic relationship between pietist orthodox and critical expressions of the tradition has remained among lutherans even though they have divided themselves by several factors including ethnicity and confessional stance of interest to scholars and researchers of lutheran history and religion in america this engaging multifaceted work balances narrative history with brief biographical essays a chronological listing of important dates in the development of the lutheran church is especially helpful

this book shows that lutherans were actively involved in the life of pennsylvania and that they developed various religious ideas such as liturgical revivalism and pietism that influenced our religious history significantly

many people have been waiting for a thorough and scholarly work on the early history of lutheranism in our country dr l p qualben deserves our deep thanks for doing this task and doing it well w g polack professor in church history concordia seminary st louis mo valuable features of the work are the proportionately full discussion of european backgrounds the study of colonial lutherans not as an isolated group but rather as an integral part of the general colonial life and development and the inclusion of a section on lutheran developments in canada theodore g tappert professor in church history mount airy seminary philadelphia pa the book should prove helpful to anyone interested in the formative period of our american nation and the part that lutheranism played in its birth p h buehring professor in church history capital university columbus ohio

this historic book may have numerous typos and missing text purchasers can usually download a free scanned copy of the original book without typos from the publisher not indexed not illustrated 1916 edition excerpt the american take the place of german consistency of action but in spite of such a difference the prospects for the union of american lutherans are brighter to day than ever before all agree in recognizing the bible as the sole source rule and standard of faith accept the augsburg confession in its historical sense and are convinced that the lutheran church stands for the most perfect form of religion which has been revealed to us by history we may mention as a symptom of reapproachment the moderate tone being observed in doctrinal discussions and also the respectful treatment mutually accorded by the organs of opposing synods 36 review of the extension of the lutheran church in america the lutheran church began as a tiny plant it had small beginnings in two localities new york and pennsylvania later we notice scattered settlements along the atlantic coast as far south as georgia since immigration was largely directed to pennsylvania this state has ever recorded the strongest growth of lutheran churches in the beginning of the nineteenth century the stream of immigration crossing the mountains flowed toward the west and resulted in strong lutheran settlements especially in indiana and ohio where the descendants of eastern lutherans new york pennsylvania virginia established themselves the great immigration of the nineteenth century flooded the country with german settlers these filled the eastern church which had been losing ground by the anglicization of its members formed new congregations and eventually covered the whole west finally the stream of immigration then largely composed of people who had settled in the united states was directed toward new england thus in course of time we find a

transforming the lutheran church in liberia by dr alexander yarmie sumo drawing upon insights from past and present liberian leaders transforming the lutheran church in liberia offers bold proposals for reconceptualizing sustaining and expanding the mission and ministry of the lutheran church in liberia lcl while offering an incisive challenge to western lutheran churches wishing to accompany the lcl in its mission providing the most comprehensive history of the lcl currently available this volume is a valuable resource for scholars as well as for lcl members who wish to understand their own history joy a schroeder phd professor of church history trinity lutheran seminary at capital university columbus ohio

the starting point of this volume is that the lwf the successor body to the short lived lutheran world convention was established on four pillars rescue for the needy common initiatives in mission joint efforts in theology and a common response to the ecumenical challenge the volume traces what has happened to this founding vision by means of penetrating surveys of eight themes of service mission theology ecclesiology ecumenics inclusiveness and political and social justice as they have unfolded in federation history most fundamental as the title of the book indicates has been the maturing of the lwf s self understanding from a free association of lutheran churches to a communion of churches new theological ecclesiological missionary and sociopolitical insights concerning global and ecumenical lutheranism emerge

as the twentieth century history of the international communion of lutheran churches is recounted celebrated and evaluated in from federation to communion the volume includes a handbook of the lutheran world federation which reviews eight lwf assemblies and presents concise biographies of federation presidents and general secretaries

this book gives today s lutherans a sense of heritage identity and continuity a sense of self understanding readers will see themselves as part of a family they can identify with the struggles hopes and frustrations of wave after wave of immigrants adapting to the strange new world of america and at the same time trying to preserve all they had known and loved and brought with them from the homeland the genius of the entire volume is that it points beyond family memories to an ongoing and continuing life of which we and our children are a living part back cover
