across a range of institutional settings practitioners and professionals are eliciting and capturing spoken talk from clients sarangi 1998 transcribing that talk and later repurposing the transcripts in place of the original interaction this research topic seeks both to shed light on this often overlooked institutional process and to encourage further linguistic input into this area of professional practice transcription is almost always an institutional practice park bucholtz 2009 providing a written record of spoken interaction to be used by another party at a later date in another setting or context there are a number of underappreciated features and consequences of this transformational process which we hope this research topic will expose and examine

legal realism is a powerful jurisprudential tradition which urges attention to social conditions and predicts their influence in the legal process the relatively recent social science in the law phenomenon in which social research is increasingly relied on to decide court cases is a direct result of realistic jurisprudence which accords much significance in law to empirical reports about social behavior the empirical research used by courts has not however commonly dealt with language as an influential variable this volume of essays coedited by judith n levi and anne graffam walker will likely change that situation language in the judicial process is a superb collection of original work which fits well into the realist tradition and by focusing on language as a key variable it establishes a new and provocative perspective on the legal process the perspective it offers and the data it presents make this volume a valuable source of information both for judges and lawyers who may be chiefly concerned with practice and for legal scholars and social scientists who do basic research about law
