new york magazine was born in 1968 after a run as an insert of the new york herald tribune and quickly made a place for itself as the trusted resource for readers across the country with award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating new york as both a place and an idea

having been a teetotaler for more than thirty years the author s personal habits associations and sympathies have all been in favor of the unfermented theory but the facts encountered in the present investigation have constrained him reluctantly to conclude that so far as the wines of the ancients are concerned unfermented wine is a myth preface
