spring and summer are my mother's time autumn and winter are my husband's what is left for me persephone spends six months of the year under the ground with her husband king of the dead and six months on earth with her mother goddess of the harvest it has been this way for nine thousand years since the deal was struck but when she resurfaces this spring something is different rains lash the land crops grow out of season or not at all there are people trying to build a road through the woods and her mother does not seem able to stop them the natural world is changing rapidly and even the gods have lost control while demeter tries to regain her powers and fend off her daughter's husband who wants to drag his queen back underground for good persephone finally gets a taste of freedom joining a group of protestors used to blinking up at the world from below as she looks down on the earth for the very first time from the treetops with activist snow persephone realises that there are choices she can make for herself but what will these choices mean for her mother her husband and for the new shoots of life inside her no season but the summer takes a classic myth and turns it on its head asking what will happen when our oldest stories fail us when all the rules have changed it is above all a book about choice

funny real romantic and touching all at the same time i can't think of a more perfect summer read claudia carroll a sweet and charming tale of love loss and regaining happiness with a deliciously sexy and enigmatic hero and an everygirl heroine i really rooted for julia williams
