armchair travel may seem like an oxymoron doesn't travel require us to leave the house and yet anyone who has lost herself for hours in
the descriptive pages of a novel or the absorbing images of a film knows the very real feeling of having explored and experienced a
different place or time without ever leaving her seat no passport no currency no security screening required the luxury of armchair travel is

accessible to us all in traveling in place bernd stiegler celebrates this convenient magical means of transport in all its many forms organized into twenty one legs or short chapters traveling in place begins with a consideration of xavier de maistre s 1794 voyage autour de ma chambre an account of the forty two day journey around his room maistre undertook as a way to entertain himself while under house arrest stiegler is fascinated by the notion of exploring the familiar as though it were completely new and strange he engages writers as diverse as roussel beckett percec robbe grillet cortázar kierkegaard and borges all of whom show how the everyday can be brilliantly transformed like the best guidebooks traveling in place is more interested in the idea of travel as a state of mind than as a physical activity and stiegler reflects on the different ways that traveling at home have manifested themselves in the modern era from literature and film to the virtual possibilities of the internet blogs and contemporary art reminiscent of the pictorial meditations of sebalde but possessed of the intellectual playfulness of calvino traveling in place offers an entertaining and creative baedeker to journeying at home

france achieved national unity much later than is commonly supposed for a hundred years and more after the revolution millions of peasants lived on as if in a timeless world their existence little different from that of the generations before them the author of this lively often witty and always provocative work traces how france underwent a veritable crisis of civilization in the early years of the french republic as traditional attitudes and practices crumbled under the forces of modernization local roads and railways were the decisive factors bringing hitherto remote and inaccessible regions into easy contact with markets and major centers of the modern world the products of industry rendered many peasant skills useless and the expanding school system taught not only the language of the dominant culture but its values as well among them patriotism by 1914 france had finally become la patrie in fact as it had so long been in name
