performers and scholars of renaissance and baroque guitar and lute music but also to classical guitarists this new book written in
collaboration with paul sparks their previous book for oup the early mandolin appeared in 1989 presents new ideas and research on
the history and development of the guitar and its music from the renaissance to the dawn of the classical era tyler's systematic study
of the two main guitar types found between about 1550 and 1750 focuses principally on what the sources of the music published and
