giovanni cecchetti s nomad diary begins with the great valley a superb long poem which shows the course of the planet framing the course of humankind and civilization following poems feature mesmerizing crocodiles crazy cypresses giant mosquitoes the pollen of jazz of new orleans drunken islands and an enchanted teenager in the sea a short collection of elegant epigrams rounds out the volume the west and southwest were dear to cecchetti and appear throughout the book his essay on writing poetry in a foreign land has been translated here by raymond petrillo

the bilingual title of this volume contrappunti counterpoints addresses the culturally interrelated dynamic of its substance the reflections and stories of giovanni cecchetti exquisitely written in his native italian but from the psychocultural perspective of contemporary americana and with illuminating forays into the greek and latin classics to have grappled asserts cecchetti with different languages and clashing cultures has enriched our lives our awareness of the depth of

humanity which runs through ourselves and others whatever our nationality it has also enriched our native tongue bringing radically new meanings to every word that we utter the dynamic between environment s and language so sensitively rendered in raymond petrillo s translation is as essential to the life of this volume as it is to the lives of the many people who grapple with the same existential binomial on a daily basis at various levels

una libreria tascabile da portare sempre con sé recensioni saggi e romanzi di baricco fallaci sgarbi e latronico ma anche le ricette di cristina parodi la fantascienza di olga karasso i gialli di carofiglio e fontana e tanti altri autori da conoscere e apprezzare la novità rispetto alla prima parte è la parte dedicata ai libri che purtroppo non sono più in circolazione o sono reperibili solo su amazon parlano di favole moda ricette e molto altro rispecchiano un epoca passata da non dimenticare

george todd a teacher of and writer on photography selects 80 of his ownolour images and describes the story behind each of them in this book thesubjects vary from the purely abstract to still life architectural andandscape photographs and the locations range from italy and greece to theouthern united states in each case the author describes how the image wasreated from the original conception of the picture through the choice ofiewpoint and composition to the final selection of the chosen exposure forrinting what all the images have in common is that they triumphantlyemonstrate that colour can in and of itself be a compositional tool andthat the use of strongly contrasting forms and shadows need not be confined to classic black and white photography on the contrary as this book shows olour can be just as much a fine art form as monochrome and indeed thatthe bold and inventive use of the colour medium can give the photographer sork a valuable extra dimension
