bpp learning media's status as official acca approved learning provider content means our acca study texts and practice revision kits are reviewed by the acca examining team bpp learning media products provide you with the exam focussed material you need for exam success

most people become upset and even angry when it's suggested that the god they know as lord and father might also be called god the mother yet a society that reveres the feminine creates beauty love and equality more importantly the return of mother god is needed as conferring with her will improve our thinking to better handle the challenges of life the future prosperity of all countries would be ensured if men and women equally shared tasks working side by side it doesn't take a genius to figure out that humanity will benefit from a kinder gender balanced divinity since god is the male female parent of all mankind until the divine mother is welcome back into our hearts humanity cannot fulfil their potential mother god brings the highest awareness with limitless nurturing

koa beck writes with passion and insight about the knotted history of racism within women's movements and feminist culture past and present curious rigorous and ultimately generous white feminism is a pleasure and an education rebecca traister new york times bestselling author of good and mad intellectually smart and emotionally intelligent beck brilliantly articulates how feminism has failed women of colour and non binary people she illuminates the broad landscapes of systemic oppression and demands that white feminism evolve lest it continue to be as oppressive as the patriarchy patrisse khan cullors cofounder of black lives matter author of when they call you a terrorist and joint recipient of the sydney peace prize don't judge this book by its cover koa beck knows that feminism includes all women and girls by definition and is writing to overcome anti feminist divisions that divide and defeat us gloria steinem a timely and impassioned exploration of how our society has commodified feminism and continues to systemically shut out women of colour join the important conversation about race empowerment and inclusion with this powerful new feminist classic and rousing call for change koa beck writer and former editor in chief of jezebel boldly examines the history of feminism from the true mission of the suffragettes to the rise of corporate feminism with clear eyed scrutiny and meticulous detail she also examines overlooked communities including native american muslim transgender and more and their difficult and ongoing struggles for social change in these pages she meticulously documents how elitism and racial prejudice has driven the narrative of feminist discourse she blends pop culture primary historical research and first hand storytelling to show us how we have shut women out of the movement and what we can do to

change things for a new generation combining a scholar's understanding with hard data and razor sharp cultural commentary white feminism is a witty intelligent and profoundly eye opening book that will challenge long accepted conventions and completely upend the way we understand the struggle for women's equality

intercountry adoption has undergone a radical decline since 2004 when it reached a peak of approximately 45 000 children adopted globally its practice had been linked to conflict poverty gender inequality and claims of human trafficking ultimately leading to the establishment of the hague convention on intercountry adoption hcia this international private law along with the convention on the rights of the child affirm the best interests of the child as paramount in making decisions on behalf of children and families with obligations specifically oriented to safeguards in adoption practices in 2004 as intercountry adoption peaked and then began a dramatic decline commercial global surrogacy contracts began to take off in india global surrogacy gained in popularity owing in part to improved assisted reproductive technology methods the ease with which people can make global surrogacy arrangements and same sex couples seeking the option to have their own genetically related children yet regulation remains an issue so much so that the hague conference on private international law has undertaken research and assessed the many dilemmas as an expert group considers drafting a new law with some similarities to the hcia and a strong emphasis on parentage this ground breaking book presents a detailed history and applies policy and human rights issues with an emphasis on the best interests of the child within intercountry adoption and the new conceptions of protection necessary in global surrogacy to meet this end voices of surrogate mothers in the us and india ground discourse as authors consider the human rights concerns and policy implications for both intercountry adoption and global surrogacy the complexity of the social context anchors the discourse inclusive of the intersections of poverty and privilege this examination of the inevitable problems is presented at a time in which the pathways to global surrogacy appear to be shifting as the supreme court of india weighs in on the future of the industry there while thailand cambodia and other countries have banned the practice all together there is speculation that countries in africa and possibly central america appear poised to pick up the multi million dollar industry as the demand for healthy infants continues on

the book describes how interference can be managed so that radio systems co exist without harmful mutual effects within a finite amount of spectrum this is timely in view of the increasing proliferation of wireless

systems it covers both the processes such as regional or international coordination as well as the engineering principles written by an author with extensive experience in the industry it describes in detail the main methodologies for calculating or computing the interference between radio systems of the same type and also between radio systems of different types

the routledge international handbook of global therapeutic cultures explores central lines of enquiry and seminal scholarship on therapeutic cultures popular psychology and the happiness industry bringing together studies of therapeutic cultures from sociology anthropology psychology education politics law history social work cultural studies development studies and american indian studies it adopts a consciously global focus combining studies of the psychologisation of social life from across the world thematically organised it offers historical accounts of the growing prominence of therapeutic discourses and practices in everyday life before moving to consider the construction of self identity in the context of the diffusion of therapeutic discourses in connection with the global spread of capitalism with attention to the ways in which emotional language has brought new problematisations of the dichotomy between the normal and the pathological as well as significant transformations of key institutions such as work family education and religion it examines emergent trends in therapeutic culture and explores the manner in which the advent of new therapeutic technologies the political interest in happiness and the radical privatisation and financialisation of social life converge to remake self identities and modes of everyday experience finally the volume features the work of scholars who have foregrounded the historical and contemporary implication of psychotherapeutic practices in processes of globalisation and colonial and postcolonial modes of social organisation presenting agenda setting research to encourage interdisciplinary and international dialogue and foster the development of a distinctive new field of social research the routledge international handbook of global therapeutic cultures will appeal to scholars across the social sciences with interests in the advance of therapeutic discourses and practices in an increasingly psychologised society
