first published in the year 1891 José Rizal's novel *The Reign of Greed* is a dark sequel to the author's romantic novel *Touch Me Not*. On the last of October, Don Santiago de los Santos, popularly known as Captain Tiago, gave a dinner in spite of the fact that contrary to his usual custom he had made the announcement only that afternoon. It was already the sole topic of conversation in Binondo and adjacent districts and even in the walled city for at that time Captain Tiago was considered one of the most hospitable of men and it was well known that his house, like his country, shut its doors against nothing except commerce and all new or bold ideas like an electric shock. The announcement ran through the world of parasites, bores, and hangers-on whom God in his infinite bounty creates and so kindly multiplies in Manila. Some looked at once for shoe polish, others for buttons and cravats, but all were especially concerned about how to greet the master of the house in the most familiar tone in order to create an atmosphere of ancient friendship or, if occasion should arise, to excuse a late arrival.
