this volume is a meticulously researched text on pneumatology which puts the major pneumatological issues together without confining to the traditional way of dealing with the doctrine of the holy spirit although pneumatology has been a neglected field in theological discussions of the past there is a renewal of interest among theologians on pneumatology today this renewal of interest has led to the formation of this work on the role of the holy spirit in the protestant

systematic theology through highlighting the role and significance of the holy spirit in the whole divine action this volume contends that pneumatology is not a dull theological locus but rather an essential theological disposition relevant for today the detailed arguments found within challenge and inspire the contemporary pneumatological discussions as it relates to all the facets of theological reflection and action

academy of parish clergy top ten book theology is the doctrine of living unto god wrote the puritan theologian william ames unfortunately post enlightenment theology has tended to divorce doctrine from living unto god and to the degree that this split has been deepened and perpetuated both theology and spirituality have been impoverished spiritual theology is a rare book in it simon chan surveys the little explored landscape where systematic theology and godly praxis meet highlighting the connections between christian doctrine and christian living and drawing out the spiritual implications of particular aspects of systematic theology allowing rational formulations to drop into the background he brings the mystery of the faith to the fore chan begins with the principal doctrines of god sin salvation and the church he then progresses to a reflective consideration of the practice of the spiritual life from prayer to spiritual direction unabashedly evangelical and truly ecumenical chan grounds his exploration in the sources of the protestant catholic and orthodox traditions his work is well abreast of contemporary theological currents and crossculturally conversant from an asian perspective spiritual theology is a book for those who care deeply about theology and spirituality and strive to integrate the two it is well worth careful reflection and prayerful reading

who is the holy spirit and how does the spirit come to be in relation to the father and the son what is the mission of the spirit and where does it come from chris holmes takes up the questions surrounding the spirit s procession and mission with the help of three of the church s greatest teachers augustine thomas aquinas and karl barth drawing on their engagements with the fourth gospel holmes presents an account of the spirit s identity origin and acts to show how the acts of the spirit derive from the spirit s life in relation to father and son and the extent to which the spirit s mission testifies to the spirit s origin holmes presents a way forward for pneumatology housed within the doctrine of the trinity pneumatology s joyful task is to describe the spirit s acts among us in light of their source in the spirit s acts in god the end of this inquiry is our beatitude knowledge of the trinity that yields to love of the trinity about the series new studies in dogmatics seeks to retrieve the riches of christian doctrine for the sake of contemporary theological renewal following in the tradition of g c berkouwer s studies in dogmatics this series provides thoughtful concise and readable treatments

of major theological topics expressing the biblical creedal and confessional shape of christian doctrine for a contemporary evangelical audience the editors and contributors share a common conviction that the way forward in constructive systematic theology lies in building upon the foundations laid in the church s historic understanding of the word of god as professed in its creeds councils and confessions and by its most trusted teachers

a compact discussion of the holy spirit in christian theology written by a leading expert in the field

wayne grudem s systematic theology is required reading in many courses on biblical theology and with good reason the textbook s emphasis on the scriptural basis for each doctrine along with its clear writing and contemporary approach make it an indispensable resource for many christians this series presents as a separate book each of the seven main parts that make up the 1 600 page systematic theology making it more portable affordable and less daunting part 4 making sense of christ and the spirit explores jesus christ as fully god and fully man in one person important topics include the person of christ including the virgin birth uniting full deity and humanity in one person while enabling christ s humanity to be without inherited sin and the incarnation the act of god the son whereby he took himself a human nature the doctrine of the atonement the work christ did in his life and death to earn our salvation jesus resurrection and ascension affirming the goodness of god s original creation of man as a creature with a physical body that was very good and his rightful place in glory and honor that had not been his before as the god man written in a friendly tone appealing to the emotions and the spirit as well as the intellect making sense of christ and the spirit helps readers overcome wrong ideas make better decisions on new questions and grow as christians

one of the most exciting recent developments in theology has been an unprecedented interest in the person and work of the holy spirit in fact veli matti karkkainen describes this phenomenon as a pneumatological renaissance but such discussion should be informed he contends by two overarching principles first we must acknowledge the variety of approaches to the experience of the holy spirit ecumenically no church can claim a monopoly on the spirit and no tradition is specifically spirited second talk about the spirit must always be contextual and therefore culture specific the spirit of god indwells believers and creation in specific and tangible ways working from this perspective the book introduces readers to pneumatology the theology and spirituality of the holy spirit in current international theology as such the work offers a biblical historical and theological assessment of the third person of the trinity however unlike most

textbooks on pneumatology karkkainen takes a fresh innovative approach rather than focusing on any single topic his aim is to chart the various territories of contemporary writings and reflections on pneumatology consequently the volume examines various theological and denominational understandings of the spirit all major christian traditions are reviewed assesses key contemporary theologians of the spirit e g pannenberg moltmann and pinnock and inquires into several contextual approaches e g liberation feminist and green these distinctives and the emphasis on the contemporary global scene make this a unique volume an up to date survey of the most noteworthy and theologically pregnant orientations to the spirit in the worldwide ecumenical and intercultural scene this work will guide readers in discerning the holy spirit s activity at the beginning of the third millennium discusses ecumenical international and contextual pneumatologies ecumenical emphasis ranges from eastern orthodox to pentecostal charismatic international scope gives voice to african and latin american perspectives covers major pneumatologies provides a comprehensive bibliography

this is a study of spirit christology a contemporary theological model of the relationship between jesus christ and the holy spirit del colle measures this christological model against trinitarian theology and tests its viability he investigates in particular the development of a roman catholic spirit christology which has arisen from within the modern neo scholastic theological tradition contrary to other interpreters del colle argues that an incarnational christology and a spirit christology are not conflicting but complementary and that this is recognized by the older and deeper tradition in conclusion he seeks to demonstrate the productivity of the spirit christological model in reference to three major areas of concern for contemporary systematic theology cultural pluralism and diversity emancipation and social praxis and inter religious dialogue

this book studies the holy spirit through the lens of both biblical and systematic theology

explains the doctrine of the holy spirit in relation to the trinity the old testament and the new testament provides a theological grasp of the holy spirit and instruction on why he matters for the christian life

a compelling introduction to the work and person of the holy spirit the third person of the trinity the holy spirit is equal to the father and the son yet he is often overlooked and misunderstood in this helpful introduction theologian fred sanders clears the confusion by highlighting the holy spirit s place in the trinity he focuses on the spirit s relation to the father

and the son and then on his work in the lives of believers written for pastors students and laypeople this addition to the short studies in systematic theology series underscores the essential role the holy spirit plays in salvation history

life in the spirit is the third volume of thomas oden s systematic theology it considers the presence of the holy spirit in history and his power in the lives and communities of present day believers

contextual theology postmodernism and theology

in what may be regarded as his magnum opus clark pinnock explores the vital christian doctrine of the holy spirit restoring the spirit to centrality in the life and witness of the church for this second edition theologian daniel castelo draws from his experience using this book in the classroom to add helpful commentary and brief reflections on each chapter

a distinguished theologian on the doctrine of the holy spirit distinguished theologian matthew levering offers a historical examination of the doctrine of the holy spirit defending an augustinian model against various contemporary theological views a companion piece to levering s engaging the doctrine of revelation this work critically engages contemporary and classical doctrines of the holy spirit in dialogue with orthodox and reformed interlocutors levering makes a strong dogmatic case for conceiving of the holy spirit as love between father and son given to the people of god as a gift

the fourth book in moltmann s systematic theology is a full scale theology of the spirit that also marks a personal religious quest veteran readers of moltmann will find a rich and subtle extension of his trinitarian and christological works even as he makes bold use of key insights from feminist and ecological theologies embodiment and charismatic movements

this fourth volume in veli matti kärkkäinen s ambitious five volume systematic theology develops a constructive christian pneumatology and soteriology in dialogue with the christian tradition with contemporary theology in all its global and contextual diversity and with other major living faiths judaism islam buddhism and hinduism kärkkäinen constructs a wide and deep theology of the holy spirit examining creation and the sciences other cosmic powers and beings the

concepts of spirits in other religions and the spirit's place in society and politics he also goes beyond traditional ways of understanding salvation election forgiveness justification sanctification and glorification and includes discussions of spirit baptism healing and restoration reconciliation liberation and peace building carefully comparing christian perspectives with the salvific views of other religions

in the last half of the 20th century a consensus emerged that christian theology in the western tradition had failed to produce a viable doctrine of the holy spirit and that augustine's trinitarian theology bore the blame for much of that failure this book offers a fresh rereading of western trinitarian theology to better understand the logic of its pneumatology ables studies the pneumatologies of augustine and karl barth and argues that the vision of the doctrine of the spirit in these theologians should be understood as a way of talking about participating in the mystery of god as a performance of the life of christ he claims that for both theologians trinitarian doctrine encapsulates the grammar of the divine self giving in history the function of pneumatology in particular is to articulate the human reception and enactment of god's self giving as itself part of the act of god this self involving logic is the special grammar of the doctrine of the holy spirit

this textbook assists students teachers and scholars in understanding and articulating major themes and issues arising from spirit christology an interdisciplinary and international area of study in the last half century spirit christology has developed into a critical and productive theological framework for reading scripture mining the implications of christ's person and work thinking about god and laying out the shape of the spirit's works in the life of the church and in the world highlighting voices from many countries and theological traditions the book chapters are structured to show how various authors engaging spirit christology have contributed compelling answers to critical questions raised in biblical studies church history systematic theology and practical theology topics include the role of the spirit of god in the gospels descriptions of jesus the place of the anointing of jesus in the history of the church the relationship between logos two natures and spirit christologies in contemporary theology and the productivity of spirit christology as a lens for reflecting on and fostering spiritual practices disciplines and ethical engagement in the world this textbook offers pedagogical features study questions for discussion glossary of terms

theologians from the early church to the present have written much about the holy spirit and christian salvation this

extensive sourcebook of primary theological texts makes many of these writings available with a description of their context and importance especially valuable are more recent works emerging from theologians in africa asia and latin america this global perspective coupled with the broad selection of writings from the history of theology makes this the most complete collection of primary source material on these topics
