a collection of works spanning the entire career of great 20th century american writer henry miller edited and introduced by lawrence durrell in 1958 when henry miller was elected to membership in the american institute of arts and letters the citation described him as the veteran author of many books whose originality and richness of technique are matched by the variety and daring of his subject matter his boldness of approach and intense curiosity concerning man and nature are unequalled in the prose literature of our times it is most fitting that this anthology of the best of henry miller should have been assembled by one of the first among miller s contemporaries to recognize his genius the eminent british writer lawrence durrell drawing material from a dozen different books durrell has traced the main line and principal themes of the single endless autobiography which is henry miller s life work i suspect writes durrell in his introduction that miller s final place will be among those towering

anomalies of authorship like whitman or blake who have left us not simply works of art but a corpus of ideas which motivate and influence a whole cultural pattern earlier h l mencken had said his is one of the most beautiful prose styles today and the late sir herbert read had written that what makes miller distinctive among modern writers is his ability to combine without confusion the aesthetic and prophetic functions included are stories portraits of persons and places philosophical essays and aphorisms for each selection miller himself prepared a brief commentary which fits the piece into its place in his life story this framework is supplemented by a chronology from miller s birth in 1891 up to the spring of 1959 a bibliography and as an appendix an open letter to the supreme court of norway written in protest of the ban on *sexus* a part of which appears in this volume

this collection first published by new directions in 1939 contains a number of henry miller s most important shorter prose writings they are taken from the paris books black spring 1936 and max and the white phagocytes 1938 and were for the most part written at about the satire time as tropic of capricorn the period of miller s and durrell s life in the famous villa seurat in paris as is usual with miller these pieces cannot be tagged with the label of any given literary category the unforgettable portrait of max the paris drifter and the probably autobiographical tailor shop are basically short stories but even here the irrepressible vitality of miller s personality keeps breaking into the narrative and in the critical and philosophical essays the prose poems and surrealist fantasies the travel sketches and scenarios miller s passion for fiction for telling the endless story of his extraordinary life cannot be held down life as no other modern author has lived it or can write it bursts from these pages the life of the mind and the body of people places and things of ideas and the imagination

at the age of ten leah hager cohen entered a world of make believe that would captivate her for years participating in a traveling theater company s production of wolkenstein she was fascinated by the pageantry of the play and the camaraderie she found within the acting troupe and the experience sparked a lifelong love of community theater nearly twenty years later cohen found her way to a small community theater in arlington massachusetts one of many thousands like it in america and set out to chronicle what would be an extraordinary year arlington friends of drama had just celebrated its seventy fifth anniversary was embroiled in disputes over structural changes proposed to help it adapt to changing times and was about to hold auditions for its most controversial play to date *m butterfly* as cohen writes this time around i had come to community theater not in order to insinuate myself into its culture but to try to understand what the culture comprised and to answer what it is about amateur theater that makes people not just desire but need it with the same graceful prose and startling insight that garnered such extraordinary reviews for her previous books *train go sorry* and *glass paper beans* cohen has created a fascinating and poignant portrait of community theater in america past

present and future the american association of community theatres founded in 1986 estimates that there are ten thousand community theaters nationwide with more than a million active members arlington friends of drama is one of the ten oldest continually operating community theaters in the country
