the past fifteen years have seen renewed interest in the civil rights movement television documentaries films and books have brought the struggles into our homes and classrooms once again new evidence in older criminal cases demands that the judicial system reconsider the accuracy of investigations and legal decisions racial profiling affirmative action voting districting and school voucher programs keep civil rights on the front burner in the political arena in light of this there are very few resources for teaching the civil rights at the university level this timely and invaluable book fills this gap this book offers perspectives on presenting the movement in

different classroom contexts strategies to make the movement come alive for students and issues highlighting topics that students will find appealing including sample syllabi and detailed descriptions from courses that prove effective this work will be useful for all instructors both college and upper level high school for courses in history education race sociology literature and political science

thoroughly updated and featuring 75 new entries this monumental four volume work illuminates past and present events associated with civil rights and civil liberties in the united states this revised and expanded four volume encyclopedia is unequaled for both the depth and breadth of its coverage some 650 entries address the full range of civil rights and liberties in america from the colonial era to the present in addition to many updates of material from the first edition the work offers 75 new entries about recent issues and events among them dozens of topics that are the subject of close scrutiny and heated debate in america today there is coverage of controversial issues such as voter id laws the use of drones transgender issues immigration human rights and government surveillance there is also expanded coverage of women s rights gay rights gay marriage and native american rights entries are enhanced by 42 primary documents that have shaped modern understanding of the extent and limitations of civil liberties in the united states including landmark statutes speeches essays court decisions and founding documents of influential civil rights organizations designed as an up to date reference for students scholars and others interested in the expansive array of topics covered the work will broaden readers understanding of and appreciation for the people and events that secured civil rights guarantees and concepts in this country at the same time it will help readers better grasp the reasoning behind and ramifications of 21st century developments like changing applications of miranda rights and government access to private internet data maintaining an impartial stance throughout the entries objectively explain the varied perspectives on these hot button issues allowing readers to draw their own conclusions

american civil wars takes readers beyond the battlefields and sectional divides of the u s civil war to view the conflict from outside the national arena of the united states contributors position the american conflict squarely in the context of a wider transnational crisis across the atlantic world marked by a multitude of civil wars european invasions and occupations revolutionary independence movements and slave uprisings all taking place in the tumultuous decade of the 1860s the multiple conflicts described in these essays illustrate how the united states sectional strife was caught up in a larger complex struggle in which nations and empires on both sides of the atlantic vied for the control of the future these struggles were all part of a vast web connecting not just washington and richmond but also mexico city havana santo domingo and rio de janeiro and on the other side of the atlantic london paris madrid and rome this volume breaks new ground by charting a hemispheric upheaval and expanding civil war scholarship into the realms of transnational and imperial history american civil wars creates new connections between the uprisings and civil wars in and outside of american borders and places the united states within a global context of other nations contributors matt d childs university of south
