elizabeth ann dively lauro discusses the theologian origen s employment of three distinct senses of scriptural meaning within his exegetical theory and practice somatic bodily factually historical psychic pertaining to the soul a figurative call to shun vice and grow in virtue and pneumatic spiritual revealing god s plan of salvation through christ s incarnation lauro first establishes that a correct understanding of the mechanics of origen s exegesis is vital to an informed reading of his works then cites origen s theoretical foundations for each sense she ultimately demonstrates how the relationship between the two higher senses psychic and pneumatic is central to origen s exegetical efforts and facilitates his audience s spiritual transformation

this workbook is a companion to the book healing of the spirit soul and body by the same author it teaches how to overcome emotional problems as well as physical ones and how to receive divine healing it also teaches how to renew the carnal mind and walk in the spirit of life thereby overcoming depression loneliness and fear it is the sixth book in the overcoming life series which includes nine book and workbook sets all teaching is based on the word of god

the soul works through the mechanism of a threefold personality the method by which the soul and the personality vehicles interact and function together is presented in this volume and also the way the human constitution as a whole and in its component parts responds to the impact of an evolving consciousness

in a culture in which science is believed to hold the answers to every question spiritual realities like the soul are often ignored or ridiculed we are told that neuroscience holds the key to explaining every aspect of human behavior yet christian philosopher j p moreland argues that scripture sound philosophical reasoning and everyday experience all point to the reality of an immaterial soul countering the arguments of both naturalists and christian scholars who embrace a material only view of humanity moreland demonstrates why it is both biblical and reasonable to believe humans are essentially spiritual beings he also describes the various components of the soul and how christians can nurture their souls as disciples of christ moreland shows that neuroscience and the soul are not competing explanations of human activity but that both coexist and influence one another
