*individual liberty is ingrained in american culture yet in contrast to this cherished ideal american men were inducted into military service under a system that flourished for more than twenty years before its rationalization was seriously questioned by more than a small minority of citizens analyzing this paradox george flynn provides the first comprehensive look at an institution that managed to sustain political and public favor through two wars before dying out under a barrage of protests during a third placing the american draft within a historical context he shows how social and political considerations determined the character of conscription in the united states the draft developed as it did he argues not mainly because of military needs or strategy but because of political decisions initiated by civilians with nonmilitary agendas explaining why the draft remained relatively immune to political criticism prior to the vietnam conflict flynn chronicles the draft s military and strategic successes and failures in america s mid century wars he shows how major institutions and lobbies representing science education and various professions and religions influenced it and how ultimately and ironically the selective character of the draft eventually made the system inequitable and helped cause its downfall book jacket title summary field provided by blackwell north america inc all rights reserved*

*using the selective service act of 1940 as a focus to illuminate the evolution of american policy and attitudes toward the second world war the first peacetime draft unites exhaustive research with crisp narrative and trenchant analysis it is a first rate work arthur schlesinger jr author of the age of roosevelt and the imperial presidency*

*the complete and only official rulebook and how to play guide to this growing national pastime where owners of rotisserie league teams trade players develop strategies keep statistics and lead their teams to the pennant*
