sidney pierre bellard is not a celebrity but for an american he has lived a most unusual life his first language is cajun french and of his father s lineage he was the first to be a high school and college graduate his cajun parents only spoke a little broken english and could write only their names no they were not recent immigrants their ancestors had been in america well before there was a united states or a state of louisiana while most subsequent immigrants to america achieved assimilation within two generations pierre s direct paternal family line due to isolation and subsequent sharecropper lifestyle took ten or more generations before one of its members pierre achieved

assimilation in the 1960 s travel with pierre on his journey to three assimilations into three different cultures where he encountered challenges such as the language barrier lack of family educational values relative poverty discrimination and the chains of insecurity eventually he developed two major drives that were antithetical to each other two drives he did not become aware of until the writing of this book the first was to master the english language and the second was to achieve literacy in standard french except for native americans everyone in the new world is an immigrant or descendant of immigrants it is the author s desire that readers will become more aware of their heritage and respect the difficult transitions their ancestors endured to achieve the american dream and make their lives as they know it possible also the reader is invited to discover france and its people through the author s experiences and impressions experiences there that enriched his life immeasurably finally as a lagniappe a little something extra pierre has included a few of his personal cajun recipes bon app tit

beauty from ashes is fiction and is a compilation of stories written for the author s wife as she battled leukemia this compilation is a continuation of the author s book harbingers of spring in that it presents the growth of a festival over several decades in the sweetwater valley of brown county indiana this area is a location where the author spent his childhood years where his grandfather s farm was located there is no festival located there only beauty and the site still has the location of the author s grandmother s house where it sat before it burned to the ground rebuilding it would be senseless as it originally sat too close to the road an attempt was made herein to present a story of equality and diversity and describe what that might look like if all concerned strove for the same goal ugly is a presentation of racism concerning the mother of the author s childhood girlfriend the mother presents total unbiased interactions except toward one neighbor child isaiah 61 is used to outline the ups and downs of progress toward a multifaceted goal in every situation and every confrontation the author attempts to show an actuality of beauty developing from conflict and cruelty it presents the human predicament through the inclusion of the most radical and diverse characters the author can imagine all working together to achieve happiness the forbidden love between a mixed child and a white child is a continuous thread throughout the book with an almost conclusion when in old age and helplessness he is murdered and dies being cared for by his lover the conclusion is from genesis 1 2 job 33 4 and numbers 27 16 regarding the hebrew word ruach wherein god s name is referred to as the sound of a breath wherein we whisper god s name in every breath of our life and close our life with one final recognition of our living god love triumphs this is the author s third book he also wrote butterfly wars and harbingers of spring

pierre the cajun frog relates the tale of a young swamp dweller who lives with his family in south louisiana through a portrayal of the title character s relationship with a neighboring mosquito a message is imparted about friendship trust and loyalty feeling left out because he does not look or sound like any of his siblings pierre finds a companion in george an insect who lives in the weeds once pierre vows not to follow a general tendency of his kind to eat the mosquito the pair forms a bond and enjoys playing together they meet each day interacting with some of the other swamp creatures and finding a degree of contentment in one another s company in the conclusion of pierre the cajun frog a year has passed and then two friends continue to enjoy roaming around the bayou as a whole the narrative characterizes a vision of the louisiana swampland while also seeking to entertain and stir a young reader s imagination

although the french language and the traditional rural way of life are disappearing among louisiana cajuns identification with cajun ethnicity is flourishing henry and bankston draw on historical documents ethnographic observations and interviews and statistical sources to investigate and explain this phenomenon they argue that while cajun ethnicity developed from and consisted of the french speaking rural poor of the region it has been transformed during the 20th century into a regional class with common interests and outlooks a substantial minority of cajuns have risen out of the blue collar niche and into the middle class creating more complicated problems of adjustment role redefinition and the changing nature of relationships with friends and family who remain part of

the working class the authors detail and describe the way the working class cajun majority and the white collar cajun minority draw on images and ideas from a reconstructed past to make sense of their present conditions and changes in their community this comprehensive structural analysis of cajun ethnicity suggests a new emphasis on structural conditions in understanding ethnic phenomena and introduces the concept of an economy of ethnicity in analyzing and exploring the creation and maintenance of cajun ethnicity henry and bankston also point toward a general theory of contemporary ethnic groups why for instance have more and more people claimed to be of native american ancestry how did the population of people calling themselves irish soar over the course of a very brief period of time arguing that as the cultural basis of difference subsides ethnic claims increase and that such claims are based on a number of factors including socioeconomic and regional concerns the authors contend that the same factors at play in the maintenance of the cajun ethnicity are also at play in other ethnic communities and subcultures within the united states they conclude that in claiming an ethnic identity group members rework ideas of history and ancestry in order to apply these ideas to modern life
