one of america's largest collections of quilts containing almost 400 examples at the time of this publication and steadily growing belongs to the museum of american folk art in new york city as it is a national not a regional institution the museum does not restrict its collection by location nor is it restricted by time period the quilts have been made all over the country and range in date from the late eighteenth to the late twentieth century until this publication however there has been no comprehensive guide to the museum's quilts almost all of which have been donated by collectors in

the field highlights from the collection have been published and exhibited many times but the purpose of this book is to provide an opportunity for quiltmakers collectors scholars and others to explore the collection in depth the comprehensive discussion of the quilts has been divided into eleven chapters that are illustrated with 141 color plates this text is then followed by a catalog of the entire collection which in turn contains forty four black and white illustrations here then is a richly handsome and informative volume that will prove to be essential for all those fascinated by this category of american folk art book jacket title summary field provided by blackwell north america inc all rights reserved

pulitzer prize winning historian laurel thatcher ulrich has remarked much of the social history of early america has been lost to us precisely because women were expected to use needles rather than pens this book part of the multivolume series of the international quilt study center collections recovers a swath of that lost history and shows us some of america s treasured material culture as it was pieced and stitched into place american quilts in the modern age 1870 1940 examines the period s quilts from both an artistic and a historical perspective from pieced block to crazy style to colonial revival examples as well as one of a kind creations the full array of style and design appears in this book covering seven decades of quilting the contributing authors provide critical information regarding the modern and anti modern tensions that persisted throughout this era of america s coming of age from the civil war to world war ii they also address the textile technology and cultural context of the times in which the quilts were created with an eye to the role that industrialization and modernization played in the evolution of techniques materials and designs with full color photographs of over 587 quilts american quilts in the modern age 1870 1940 offers a new visual and tactile understanding of american culture and society bridging the transition from traditional folk culture to the age of mass production and consumption
