galicia is a region in north west spain with a population under three million people this study provides an introduction to the landmarks of its history from pre history to the present and details the controversies and debates linked to its development

this collection of short stories by 12 contemporary galician writers serves as a small window into the galician literary landscape this eclectic anthology presents a

variety of texts that gives a glimpse of the vitality of galician literature in the last decades

in the 1920s a group of galician intellectuals known as the xeracion nos began through their literary output and political activities to articulate and reinterpret galician cultural identity after several centuries of cultural repression and centralization this book examines both the nexus of inherited positions of this cultural recovery and its original formulation through the works of one of the most prominent intellectual of the xeracion nos ramon otero pedrayo

leopold von sacher masoch 1836 1895 the author of venus in furs is known for his tales of dominant women and suffering men if indeed he is remembered at all today but in his own lifetime he was also famous as the author of vibrant tales from galicia the exotic eastern edge of the austrian empire where he championed the cause of the region s most oppressed minorities the ruthenians and the jews this collection focuses on some of his better known jewish tales sacher masoch s unusual ability to capture the essence of a person or place with a telling detail brings this vanished world of galician jewry back to life in all its splendor and all its squalor mixing the grays browns and blacks of european realism with the bright sparkling colors of legend myth fairy tale and tradition long forgotten in the german and english speaking countries his work is currently enjoying a modest revival among scholars and general readers alike

clippings of latin american political social and economic news from various english language newspapers
