discussion on professional values and working with other adults in the classroom

shakespeare's plays are thought provoking and complex texts that explore the human themes of romance, deceit, tragedy, comedy, and revenge. These activity guides are designed by teachers for teachers to help students navigate the complexity. Each guide contains a total of 30 activities divided into six sections of four activities and one review. At the end of each guide is a final test, a variety of culminating activities, and an answer key. Each reproducible activity ebook is approximately 68 pages.

presents ideas on how to create websites for teenagers from the basics such as links and catalogs to technical skills relating to elements like blogs, feeds, and podcasting.

With its hands-on focus, now even more strongly emphasized, the new edition of this clearly written, thoughtful book does an even better job of providing readers with what they need to support a program of moral education at either the elementary or secondary level. Coverage outlines the philosophical arguments for establishing classrooms and schools as sources of moral instruction, as well as exploring pertinent theories of how to accomplish this goal. The unique presentation of reclaiming our schools, teaching character, academics, and discipline combines a comprehensive overview of theory with a complete hands-on guide to classroom techniques and schoolwide policies, thus supplying both the background and the tools needed to transform schools into sources of moral instruction. A thorough list of 100 suggestions for applying the principles within the book gives parents, teachers, and administrators a solid repertoire of ideas for use in each classroom and throughout the school. In addition, a 100-item evaluation checklist serves as a framework upon which a working character development program may be constructed. Updated exercises within each chapter engage the reader in contemporary situations that are both plausible and realistic. Sex and character is now examined in a separate chapter. Reclaiming our schools, teaching character, academics, and discipline is a valuable tool for any parent, teacher, administrator, school board member, or politician who wishes to learn what it takes to establish classrooms and schools as sources of moral instruction.

the ideal reference for any experienced dog trainer considering becoming a professional or who is involved in conducting classes right now.

teaching about controversial issues is crucial but also very challenging. This text dissects the nature of a specific controversy and offers practical strategies for helping students work through possible solutions.
