even well meaning fiction writers of the late jim crow era 1900 1955 perpetuated racial stereotypes in their depiction of black characters from 1918 to 1952 octavus roy cohen turned out a remarkable 360 short stories featuring florian slappey and the schemers romancers and ditzes of birmingham s darktown for the saturday evening post and other publications cohen said i received a great deal of mail from negroes and i have never found any resentment from a one of them the black readership had to be satisfied with any black presence in the popular literature of the day the best known white writers of black characters included booth tarkington herman and verman in the penrod books irvin s cobb judge priest s houseman jeff poindexter roark bradford widow duck the plantation matriarch hugh wiley wildcat marsden the war veteran who traveled the country in the company of his goat and charles correll and freeman gosden radio s amos n andy these writers deservedly declined in the civil rights era but left a curious legacy that deserves examination this book focusing on authors of series fiction and particularly of humorous stories profiles 29 writers and their black characters in detail with brief entries covering 72 others

the first organized american stock car race took place in 1908 on a road course around briarcliff new york staged by one of america s early speed mavens william k vanderbilt jr a veteran of the early ormond daytona beach speed trials vanderbilt brought the grand prize races to savannah georgia the same year what began as a rich man s sport eventually became the working man s sport finding a home in the south with the infusion of moonshiners and their souped up cars based in large part on statements of drivers car owners and others garnered from archived newspaper articles this history details the development of stock car racing into a megasport chronicling each season through 1974 it examines the national association for stock car automobile racing s 1948 incorporation documents and how they differ from the agreements adopted at nascar s organization meeting two months earlier the meeting s participants soon realized that their sport was actually owned by william h g bill france and its consequential growth turned his family into billionaires the book traces the transition from dirt to asphalt to superspeedways the painfully

slow advance of safety measures and the shadowy economics of the sport

based on previously unexploited primary sources this is the first comprehensive biography of yosef haim brenner one of the pioneers of modern hebrew literature born in 1881 to a poor jewish family in russia brenner published his first story a loaf of bread in 1900 after being drafted into the russian army he deserted to england and later immigrated to palestine where he became an eminent writer critic and cultural icon of the jewish and zionist cultural milieu his life was tragically ended in the violent 1921 jaffa riots in a nutshell brenner s life story encompasses the generation that made the great leap from imperial russia s pale of settlement to the metropolitan centers of modernity and from traditional jewish beliefs and way of life to secularism and existentialism in his writing he experimented with language and form but always attempting to portray life realistically a highly acerbic critic of jewish society brenner was relentless in portraying the vices of both jewish public life and individual jews most of his contemporaries not only accepted his critique but admired him for his forthrightness and took it as evidence of his honesty and veracity renowned author and historian anita shapira s new biography illuminates brenner s life and times and his relationships with leading cultural leaders such as nobel laureate s y agnon hayim nahman bialik israel s national poet and many others undermining the accepted myths about his life and his death his depression his relations with writers women and men including the question of his homoeroticism this new biography examines brenner s life in all its complexity and contradiction

eugene burton ely was buried the day after his 25th birthday less than a half mile from where he was born no sooner had he captured the world s eye and gained the fame he sought than he crashed into the earth until 1911 the last year of his life hardly anyone knew his name more than a century later nothing has changed an iowa farm boy afraid of heights ely was the first to land an airplane on the deck of a ship to some he is the father of naval aviation the inspiration behind today s nuclear aircraft carriers but many details of his life have been lost until now this book seeks to fill this void

women and men who have taken part in campaigns to improve the lot of women in society today will recognise many familiar concerns in this biography of two early women activists maud pember reeves and her daughter amber were at different stages caught up in the surge of the women s movement both in new zealand and in england through links with the fabian society they became involved with some of the colourful literary and radical figures of their day g b shaw beatrice and sidney webb and h g wells among them the story of their personal lives which were not without complications is told against a background which throws light on the social development of their times as the wife and daughter of the eminent politician and journalist william pember reeves maud and amber have been relegated very much to the background in previous accounts this book sets the record straight inside front cover
