the prophecy puzzle is a study on the whole book of revelation not just end time events but as the title suggests it does go into great detail on these events and the order in which they will occur i attempt to bring many of the prophecies of the old testament into the book of revelation to give a clearer and perhaps surprising view of what is to occur in the near future my goal isn t to win everyone to my viewpoint but to encourage thought and provide an opportunity for god to teach from his holy word the bible i ve been a christian for more than twenty years which in itself has been a great blessing but one of the greatest blessings during this time has been the occupations the lord has provided for me this is true because for most of that time i ve been able to listen to five or six hours of christian radio a day this has enabled me to

listen to the teachings of some of the finest teachers in modern times many of which disagree with each other almost as much as one can and still remain orthodox this unique privilege has allowed me to study many views on the end times which i believe has enabled me with god s help to understand them better also over these past twenty plus years i ve had the privilege to directly study under some great teachers for much of those twenty years i ve also taught a home bible study and frequently taught classes in my local church

who is this kindly spiritual and mysterious man that has lived in the community for so many years popular in the church as well as among the community he seems to play a part in many lives always willing to help out volunteer or be a good sounding board in fact john barzeb s fishing store as a rule caters to both friends and customers often indistinguishable at its cozy lakeside location john s strivings within the church and town have been perceived to be unselfish and peaceful as a rule but suddenly something has changed with this familiar neighbor young samuel bodden is an eight year old boy who enjoys the world in which he is growing up including school and church life his friends and his interests he has a fascination with science in particular and has recently become enthused about the discoveries made in the field of biblical archaeology his friendship with john was a natural one where despite the age difference samuel felt always to be in a very pleasant friendship mentoring mode then one day mr allen the local farmer delivers a closing prayer that greatly upsets young samuel causing him to literally run to john for help on the point of peaceful resolution mr allen then suddenly lashes out at samuel evoking a response from john that no one expected first he orders mr allen to silence and then to report to the pastor s office in due time the church begins preparing for a debate ostensibly between faith and science and which promises to alter the course of the church unknown details soon start to emerge about mr barzeb of jewish descent an expert in ancient hebrew the brother of an actual martyr and full of impeccable bible knowledge who is this neighbor named john as i read the novel besides the unique plot twists i was impressed with the resources cited these resources will help open the reader s mind to a wider understanding of the truths of the scriptures in a unique way as a biblical researcher and explorer i have

found that holy history can only be understood through the lens of scripture because it is here that the accuracy of the bible flourishes apart from the burdensome misinformation of so many man made traditions dr feinberg does a service to those who hold an unswerving allegiance to the truths presented on the pages of the bible and to think all of this comes alive inside this book where a surprise ending awaits leaving the reader slightly mystified and happily wondering dr robert cornuke of the base institute

the day of the lord unveiling the mysteries in the book of revelation establishes a revolutionary new perspective on how to view the approaching prophetic end times developed out of his own bible study for us soldiers who were asking hard questions about the apocalypse while deployed in support of operation iraqi freedom oif chaplain basal thoroughly addresses these mysteries and draws our attention to the major focus of the entire revelation this insight is revealed in two parallel but separate set of interwoven visions both sets of visions start with a broad overall big picture of what will take place then the picture is refined with more detail and finally the picture is brought into focus the first sets of visions are depicted in the seven seals seven trumpets and the seven bowls which culminates with the focus on the wrath of god the second set of visions which he calls the first second and third previews depict the struggle between the forces of god and satan and finally focuses with the third preview on the victorious christ

to get more information on this book and my other books check out my website at aliensinthebible.com when reading the bible readers usually find moral guidance sometimes they perceive a sense of poetic beauty but how often do readers fall into the pages and swim among the ancient hebrew characters how many people transcend the eons of time within the ancient text of the bible then look up from their reading and consider for a moment that they are mysterious beings immersed in a mysterious creation how odd this current world must have looked we with our televisions space shuttles and computers in the visions of the prophets of old and how odd the world of antiquity looks to us today a world of giants magicians and sorcerers a world of legendary gods coming from the heavens aliens in the bible is a book of possibilities no claim of supreme knowledge in biblical interpretation is made rather scripture is presented and with it the pondering mind of the author some pondering may be perceived as utterly preposterous despite the fact that science and historical literature other than the bible may also support some suggested theories nevertheless this book should be a healthy read it should touch the unseen eyes of the soul which delight in the revelations of the invisible realm aliens in the bible is researched information that places paranormal subjects into three categories supernatural entities realms of existence and phenomenon within the scope of paranormal phenomenon unlike the title of this book may suggest a host of topics are covered along

with the existence of aliens ghosts thought forms artificial intelligence monsters and mythical beings are also discussed all with a biblical interpretation the realms of heaven and hell are explained in depth other paranormal phenomenon such as reincarnation psi astral projection stigmata and more are also elaborated upon some of the theories presented in this book might make the average christian laugh indeed they could be embossed on the front page of a tabloid some of them are as follows 1 the beast spoken of in the book of revelation might actually be an artificial intelligent life form 2 the giants of genesis chapter 6 were genetically engineered hybrids of humans and fallen angels dinosaurs and other monstrous prehistoric beasts were the results of precursory genetic experimentation leading up to the nephilim giants 3 astral projection was practiced at the tower of babel this ability aided in the growth of exponential knowledge 4 satan once ruled a host of planets his home world was called rahab god destroyed this world it became what is now known as the asteroid belt 5 the heaven reported by many non christians that have had ndes near death experiences isnt really heaven at all its actually a vacated paradise located within the midst of hades ruled by demonic entities 6 what people perceive as reincarnation is actually possession of the deceased this book may be accused of not being focused on the primary message of the bible the heart of scripture is the heart of god that he imbed himself inside the body of a human being by the name of jesus and willingly allowed himself to be murdered why did he do this because he demands perfect justice yet seeing that we can never pay this price he paid it for us if only we accept him on his terms instead this books focus is on items that may be deemed a value of secondary importance in comparison with the essentials of the christian faith such as the love of god the immaculate conception of christ his work of salvation on the cross moral absolutes etc to all christian readers i humbly request you humor this work for this book should serve a valuable twofold purpose first of all it will witness to seekers who often im-

yahweh the lord god and his son yahshuah jesus christ made statements with regard to eschatology that have been spiritualized for over a millennium which has led to the belief in universalism the belief that yahshuah died for everyone well after one studies the original languages of the hebrew aramaic and greek the message of the kingdom of god was preached to and accepted by a certain house in the bible the other house rejected this message and yahshuah punished that house by taking the kingdom away from them and giving it to another nation bringing forth fruit there are only the house of israel the house of judah and the house of david mentioned in the bible all three existed then as they do today however most of today s babylonian priesthood churchianity refuses to accept the secular historical position with regard to the house of israel and who they are today the people groups which yahweh and yahshuah addressed still exist

today however these people are all mixed up and known by different names but they do exist this book goes back to the origin of these people groups in the bible and brings them forward to the present using their old names in order to understand eschatology this brings us to the major question of is the bible only about israel and if so how does it affect our eschatology today this book answers these hard questions

this monograph explores the topic of eschatological violence in pentecostal biblical interpretation of ezek 36 16 39 29 rev 19 11 21 and rev 20 7 10 by reviewing pentecostal reception history of these texts considering the influence of classical dispensationalism on pentecostal biblical interpretation and eschatology this study offers a peace reading that aligns with both early pentecostal writers and contemporary pentecostal scholars whose eschatology departs from classical dispensationalism this monograph builds a case for envisioning a hopeful and proleptic premillennial eschatology that emphasizes the peace and reconciliation of the gospel more than end times war and violence

which translation is best which study bible what are the secrets of resolving difficult or controversial passages from forty years of intensive bible study and teaching missler shares his favorite helps secrets and practical suggestions on how to take the bible seriously most christians although they want to do in depth bible study know little of the types philosophies and tools of study available is the bible to be taken literally or figuratively what study aids would be most helpful in beginning my own home study library going through the bible book by book eat the elephant one bite at a time these studies produce the most

lasting results there is a balance in the whole counsel of god emmaus road in luke 24 27 where to start a good first book is the gospel of john a child can wade in it and an elephant can bathe in it other good starting points include genesis acts matthew daniel and revelation which is the only book which unequivocally promises a blessing to the reader you are unique let the spirit lead you

from the beginning of time thinkers have puzzled over the paradox of fate vs free will in theological terms this leads to the struggle between calvinism and arminianism as we explore this paradox we find that examining the fruit of each position reveals that the river of life seems to flow between these two extremes and that again truth involves a careful balance we hear a lot about the sovereignty of god and the prerogatives of our creator are pretty obvious as the children s riddle goes where does the gorilla sleep in the forest anywhere he wants to and as most of you have discovered he has also given us one of his greatest treasures his word jealous as he is of his name psalm 138 2 highlights for thou hast magnified thy word above thy name and indeed god has declared in detail the responsibilities he desires of his people the bible lays out just how he desires to be worshipped etc beyond the mysteries associated with the sovereignty of god and the libraries are full of studies on that subject there emerges what is to many of us an even more troubling mystery the sovereignty of man internationally recognized biblical authority chuck missler explores the fundamental paradox underlying our ultimate destiny

is our universe some kind of cosmic accident or is it the result of careful and skillful design what do scientists mean by the anthropic principle when compiling the many physical and mathematical subtleties which make up our universe scientist have discovered that a slight variation in any of them militates against the existence of life even at the atomic and sub atomic level the slightest variation in any of the primary constants of physics some as sensitive as one part in over 1 000 000 cause life to be impossible even secular science refers to these appearances of apparent design as the anthropic principle since they yield the impression that the universe was designed specifically for man
