even though elena poniatowska is considered to be one of the most important female writers in present day mexico few book length studies have been dedicated to her work this book focuses on the writings of elena poniatowska and also on the work of her former students silvia molina and rosa nissán a brief history of the literary workshop that links the three together is also provided although the three writers are quite different in several respects they share one common element that is central to their writings the depiction of marginal members of society with reference to subaltern studies this study analyses how the subaltern is represented in the works of each writer

in search of the sacred book studies the artistic incorporation of religious concepts such as prophecy eternity and the afterlife in the contemporary latin american novel it departs from sociopolitical readings by noting the continued relevance of religion in latin american life and culture despite modernity s powerful secularizing influence analyzing jorge luis borges s secularized narrative theology in his essays and short stories the book follows the development of the latin american novel from the early twentieth century until today by examining

the attempts of major novelists from maría luisa bombal alejo carpentier and juan rulfo to julio cortázar gabriel garcía márquez and josé lezama lima to sacralize the novel by incorporating traits present in the sacred texts of many religions it concludes with a view of the desacralization of the novel by more recent authors from elena poniatowska and fernando vallejo to roberto bolaño

the encyclopedia of twentieth century latin american and caribbean literature 1900 2003 draws together entries on all aspects of literature including authors critics major works magazines genres schools and movements in these regions from the beginning of the twentieth century to the present day with more than 200 entries written by a team of international contributors this encyclopedia successfully covers the popular to the esoteric the encyclopedia is an invaluable reference resource for those studying latin american and or caribbean literature as well as being of huge interest to those following spanish or portuguese language courses

the latin american novel burst onto the international literary scene with the boom era led by julio cortázar gabriel garcía márquez carlos fuentes and mario vargas llosa and has influenced writers throughout the world ever since garcía márquez and vargas llosa each received the nobel prize in literature and many of the best known contemporary novelists are inspired by the region s fiction indeed magical realism the style associated with garcía márquez has left a profound imprint on african american african asian anglophone caribbean and latinx writers furthermore post boom literature continues to garner interest from the novels of roberto bolaño to the works of césar aira and chico buarque to those of younger novelists such as juan gabriel vásquez alejandro zambra and valeria luiselli yet for many readers the latin american novel is often read in a piecemeal manner delinked from the traditions authors and social contexts that help explain its evolution the oxford handbook of the latin american novel draws literary historical and social connections so that readers will come away understanding this literature as a rich and compelling canon in forty five chapters by leading and innovative scholars the handbook provides a comprehensive introduction helping readers to see the region s intrinsic heterogeneity for only with a broader view can one fully appreciate garcía márquez or bolaño this volume charts the literary tradition of the latin american novel from its beginnings during colonial times its development during the nineteenth and the first half of the twentieth century and its flourishing from the 1960s onward furthermore the handbook explores the regions representations of identity narrative trends and authors that make this literature so diverse and fascinating reflecting on the latin american novel s position in world literature

news commentary and documents on current events in mexico and latin america

one of the important cultural responses to political and sociohistorical events in latin america is a resurgence of urban photography which typically blends high art and social documentary but unlike other forms of cultural production in latin america photography has received relatively little sustained critical analysis this pioneering book offers one of the first in depth investigations of the complex and extensive history of gendered perspectives in latin american photography through studies of works from argentina mexico and guatemala david william foster examines the work of photographers ranging from the internationally acclaimed artists graciela iturbide pedro meyer and marcos lópez to significant photographers whose work is largely unknown to english speaking audiences he grounds his essays in four interlocking areas of research the experience of human life in urban environments the feminist matrix and gendered cultural production jewish cultural

production and the ideological principles of cultural works and the connections between the works and the sociopolitical and historical contexts in which they were created foster reveals how gender marked photography has contributed to the discourse surrounding the project of redemocratization in argentina and guatemala as well as how it has illuminated human rights abuses in both countries he also traces photography's contributions to the evolution away from the masculinist dominated post 1910 revolution ideology in mexico this research convincingly demonstrates that latin american photography merits the high level of respect that is routinely accorded to more canonical forms of cultural production

winner of the victor villaseñor best latino focused nonfiction book award english from the 2022 international latino book awards what defines the boundary between fact and fabrication fiction and nonfiction literature and journalism latin american documentary narratives unpacks the precarious testimonial relationship between author and subject where the literary journalist rather than the subject being interviewed can become the hero of a narrative in its recording and retelling latin american documentary narratives covers a variety of nonfiction genres from the 1950s to the 2000s that address topics such as social protests dictatorships natural disasters crime and migration in latin america this book analyzes and includes an appendix of interviews with authors who have not previously been critically read together from the early and emblematic works of gabriel garcía márquez and elena poniatowska to more recent authors like leila guerriero and juan villoro who are currently reshaping media and audiences in latin america in a world overwhelmed by data production and marked by violent acts against those considered others liliana chávez díaz argues that storytelling plays an essential role in communication among individuals classes and cultures

this vast three volume encyclopedia offers more than 4000 entries on all aspects of the dynamic and exciting contemporary cultures of latin america and the caribbean its coverage is unparalleled with more than 40 regions discussed and a time span of 1920 to the present day culture is broadly defined to include food sport religion television transport alongside architecture dance film literature music and sculpture the international team of contributors include many who are based in latin america and the caribbean making this the most essential authoritative and authentic encyclopedia for anyone studying latin american and caribbean studies key features include over 4000 entries ranging from extensive overview entries which provide context for general issues to shorter factual or biographical pieces articles followed by bibliographic references which offer a starting point for further research extensive cross referencing and thematic and regional contents lists direct users to relevant articles and help map a route through the entries a comprehensive index provides further guidance
