the issue of women s ordination still occasionally makes the news the controversy over women bishops in the 2008 church of england synod is a case in point within the roman catholic and orthodox churches the struggle continues despite growing evidence of the full ordination of women to the diaconate during the first four centuries of christian history yet it is in personal histories such as this one that the true nature of women s struggle with the church to claim their full humanity becomes apparent this is also a quintessentially south african story of a woman struggling against the multi layered obstacles put in her way sexual abuse class prejudice cultural chauvinism patriarchy and apartheid have all played their part in trying to keep nancy charton from achieving her destiny but like a rock the mbokodo of the slogan she has been weathered but not broken and emerged fully into her calling as a priest and canon of the anglican church in south africa this book charts nancy s life from the moment of the calling by god in the garden of a miner s cottage on the witwatersrand through her painful growing years when she lost her faith to her re emergence into faith with a mission as a community activist campaigner against forced removals crusading academic and finally as a pioneering

advocate of full ordination for women in the anglican church publisher s website
