this book brings together the study of modern fiction tragedy chance and the natural world it will appeal to graduate students and researchers interested in british and european modernism philosophy science and literature and classical reception studies it will also interest scholars studying the novel or tragedy more generally

critical essays about john milton and his works

first published in 2000 routledge is an imprint of taylor francis an informa company

the essays in cutting edges examine english satire of the eighteenth century from various theory based postmodern perspectives some examine little known works that postmodern concerns such as the role of women and the problems of authorship have rendered especially interesting others reconsider familiar works in terms of the latest critical issues the justification for these investigations is that both satire and postmodern methods are extremely skeptical and acutely aware that language is always ironic always pointing to the gap between signifier and signified the approaches in this book include those associated with deconstruction reception theory marxist criticism the new historicism and various feminist criticisms and with such theorists as derrida bakhtin goux and luhmann while most of the major figures of eighteenth century satire butler rochester swift pope gay fielding sterne and johnson are represented here so too are many other interesting writers thomas shadwell fannie burney mary davys and elizabeth hamilton to name but a few

this ambitious undertaking is designed to acquaint students teachers and researchers with reference sources in any branch of english studies which marcuse defines as all those subjects and lines of critical and scholarly inquiry presently pursued by members of university departments of english language and literature within each of 24 major sections marcuse lists and annotates bibliographies guides reviews of research encyclopedias dictionaries journals and reference histories the annotations and various indexes are models of clarity and usefulness and cross references are liberally supplied where appropriate although cost conscious librarians will probably consider the several other excellent literary bibliographies in print such as james l harner s literary research guide modern language assn of america 1989 larger academic libraries will want marcuse s volume jack bales mary washington coll lib fredericksburg va library journal
