paul a quatre ans quand les médecins annoncent à ses parents qu il est atteint d autisme alors confrontée à une maladie réputée incurable à des médecins pessimistes à une Éducation nationale qui exclut son enfant tamara morar refuse d accepter l irrémédiable elle décide de se battre et met au point en s appuyant sur de nombreuses études spécialisées une méthode de rééducation des centaines d heures de travail portées par une endurance et une obstination hors du commun dans ce livre elle nous explique comment peu à peu paul retrouve la conscience de son corps le langage l interaction avec les autres il se métamorphose il reprend une scolarité normale aujourd hui on peut presque parler de guérison source d espoir pour tous les proches d enfants autistes ce livre est un appel à une autre prise en charge thérapeutique et sociale de ce trouble envahissant du développement

à l âge de deux ans jacob barnett est diagnostiqué autiste très vite les visites médicales et les thérapies s enchaînent afin de donner les meilleures chances de développement à l enfant il est placé l année suivante dans une école maternelle spécialisée mais semble perdre tout ce qu il avait pu acquérir jusqu alors en s opposant à l avis de tous et même à celui de son mari kristine barnett décide de retirer son fils du système des institutions spécialisées et de faire elle même son éducation avec l aide d une spécialiste elle encourage jacob dans tout ce qui semble éveiller son intérêt comme les jeux de lumière les chiffres ou le ciel et petit à petit il progresse encouragé par sa mère jacob se passionne littéralement pour les mathématiques et l astronomie véritable prodige il entre à l université d indiana à l âge de dix ans pour étudier l astronomie et à douze ans il y obtient un poste de chercheur en physique quantique où il poursuit la théorie de la relativité d einstein

dans ce récit d une rare authenticité Évelyne claessens raconte comment son fils william a été diagnostiqué autiste et son combat pour le mener à la guérison abasourdie je me suis d abord documentée j ai questionné des spécialistes et je me suis rapidement rendue compte que les parents d enfants autistes étaient laissés à eux mêmes dans leur quête de la guérison une fois

le diagnostic établi notre système médical ne contribue aucunement à guérir l'enfant il l'accompagne dans sa condition mon mari et moi avons immédiatement entrepris de trouver les causes et surtout le ou les moyens de le sortir de nous sortir de cette impasse alors nous avons tout essayé et nous avons réussi

some issues include consecutively paged section called madame express

le personnage principal entreprend un voyage qui le conduit des minguettes à Chaley sur Rhône des exaspérations péri urbaines au calme et à la sérénité de la campagne loin de n'être qu'un déplacement spatial et géographique ce mouvement s'avère un véritable mouvement conceptuel un mouvement de l'esprit qui tout à la fois l'emportait et le transportait

depuis la plus haute antiquité l'asservissement des femmes aux hommes s'exprime dans les religions de la puissance sexuelle et de la fécondité les femmes violées prennent le voile les femmes voilées prennent le maquis la maquis résiste il ose dire non au scandale dans l'éducation à l'autisme des décideurs une analyse scientifique du racisme d'origine chrétienne s'impose pour investiguer le principe de répétition en marche aujourd'hui dans la culture avec la Shoah prise comme repère
