this expanded and updated edition of Canadian Natural Resource and Environmental Policy examines policy making in one of the most significant areas of activity in the Canadian economy: natural resources and the environment. It discusses the evolution of resource policies from the early era of exploitation to the present era of resource and environmental management, including the Kyoto Protocol. Using an integrated political economy and policy perspective, the book provides an analytic framework through which ideological perspectives, administrative structures, and substantive issues are explored.

In this new and updated edition, the authors once again examine policy making in one of the most significant areas of activity in the Canadian economy: natural resources and the environment. They discuss the evolution of resource policies from the early era of exploitation to the present era of resource and environmental management, using an integrated political economy and policy perspective. The book provides an analytic framework from which the foundation of ideological perspectives, administrative structures, and substantive issues are explored. Departing from traditional approaches that emphasize a single discipline or perspective, it offers an interdisciplinary framework with which to think through ecological, political, economic, and social issues. It also provides a multi-stage analysis of policy making, from agenda setting through the evaluation process. The integration of social science perspectives and the combination of theoretical and empirical work make this innovative book one of the most comprehensive analyses of Canadian natural resource and environmental policy to date. Its illumination of the key elements of government policy making in this critical sector and its new outline of the evolution of the Kyoto Protocol makes it a useful textbook and resource for students of environmental and public policy, policy makers, and environmental organizations.

J. W. McConnell (1877–1963) was born to a poor farming family in Ontario. He became one of the wealthiest and most powerful businessmen of his generation in Canada and internationally. Early in his career, McConnell established the Montreal office of the Standard Chemical Company and began selling bonds and shares in both North America and Europe, establishing relationships that would lead to his enormous financial success. He was involved in numerous businesses, from tramways to ladies' fashion to mining, and served on the boards of several corporations for nearly fifty years. He was president of St. Lawrence Sugar and late

in life he became the owner and publisher of the montreal star mcconnell was an indefatigable and formidable fundraiser for the ymca the war effort of 1914 18 hospitals and mcgill university where he served as governor for almost three decades in 1937 he established what would become the j w mcconnell family foundation the first major foundation in canada and still one of the best endowed j w mcconnell was a principled and brilliant visionary with a strong work ethic and a deep commitment to the public good a rockefellerian figure in both big business and high society who quietly became one of the greatest philanthropists of his time his life story told in uncompromising detail by william fong is a study of raising spending and giving away money on the grandest scale

this collection of essays explores how women from a variety of religious and cultural communities have contributed to the richly textured pluralistic society of canada focusing on women s religiosity it examines the ways in which they have carried and conserved and brought forward and transformed their cultures old and new in modern canada each essay explores the ways in which the religiosities of women serve as locations for both the assertion and the refashioning of individual and communal identity in transcultural contexts three shared assumptions guide these essays religion plays a dynamic role in the shaping and reshaping of social cultures women are active participants in their transmission and their transformation and a focus on women s activities within their religious traditions often informal and unofficial provides new perspectives on the intersection of religion gender and transnationalism since the first european migrations canada has been shaped by immigrant communities as they negotiated the tension between preserving their religious and cultural traditions and embracing the new opportunities in their adopted homeland viewing those interactions through the lens of women s religiosity the essays in this collection model an innovative approach and provide new perspectives for students and researchers of canadian studies religious studies and women s studies
