based on the premises that quebecers vote for independence in a referendum and canada accepts this result the  
secession of quebec and the future of canada is a timely examination of the implications of separation for quebec  
and the rest of canada

robert young discusses the ways in which canadians might reconstitute their country after quebec separates and  
considers possible political and economic arrangements between quebec and canada the association aspect of  
sovereignty association including the breakdown of economic cooperation arguing that the long term future of  
canada and the shape of canada quebec relations will depend on how the transition to sovereignty takes place  
young provides a clear and detailed analysis of how the transition is likely to occur his discussion addresses major  
issues to be negotiated during the secession citizenship national debt borders armed forces and public service  
commercial and economic relations currency first nations minority rights mobility and immigration and

environmental matters for comparison young draws on the experiences of other countries where peaceful secession has occurred including czechoslovakia the second edition includes a new preface and concluding chapter that discuss to what extent the situation has changed since the referendum of 1995

international handbook of economic integration edited by miroslav jovanovi provides timely and rich academic contributions to considerations of the widest array of integration related issues european integration has been providing an inspiration to a number of academics and researchers the handbook is a recognition of the dynamic and strong solidarity of the european integration at the same time the european union often provided an example for integration schemes throughout the world which spread enormously since the mid 1990s leading experts from all continents contributed to this handbook which will be a valuable input into academic and policy making discussions and actions josé manuel barroso president of the european commission miroslav jovanovi s publication represents a rich contribution to the complex issue of regional integration its benefits its shortcomings and its relationship with multilateral trade opening it sheds light over an issue which is the subject of intense discussions in trade circles pascal lamy director general of the wto much has been written on trade agreements as a mechanism to integrate the markets of two or more countries often inspired by the european example in recent years attention has increasingly focused on the importance of economic geography as a determinant of industrial location this book combines the two strands of analysis bringing together leading experts in the fields of economic geography and international trade the result is an outstanding compilation of papers that illuminate how policies and economic forces affect the location of economic activity in an integrated europe bernard hoekman director the world bank us the open multilateral trading system is a tremendous success of the past half century and has

contributed greatly to the world's unprecedented rate of economic growth over the past two decades however preferential trading arrangements have proliferated raising questions as to how compatible they are with the open multilateral system and what policies might be adopted to improve outcomes the essays in this volume detail the emergence of PTAs and provide comprehensive and up to date analyses of the state of play of preferential arrangements in all regions of the world the volume will provide a useful reference for all those wanting to understand existing preferential arrangements and their role in the international economy today Anne O. Krueger Johns Hopkins University and Stanford University US economic integration is a complex and multifaceted giant with a myriad aspects ranging from regional and global concentration and dispersal of economic activity to social and political consequences for individuals and communities in developed and developing countries alike this landmark three volume collection of chapters by leading authors drawn from many fields is a worthy and timely contribution to the analysis of a phenomenon with profound implications for the future world economy and its governance James Zhan Director Investment Enterprise Division UNCTAD with this handbook Miroslav Jovanovi has provided readers with both an excellent stand alone original reference book as well as the first volume in a comprehensive three volume set this introduction into a rich and expanding academic and practical world of international economic integration also provides a theoretical and analytical framework to the reader presenting select analytical studies and encouraging further research international handbook on the economics of integration volume I covers two broad themes general integration issues and regional integration groups the first part discusses topics that range from an overview of the regional integration deals registered with the World Trade Organization to multilateralism and regionalism hub and spoke integration networks limits to integration rules of origin and globalization the second part of the han

the author presents in this volume the canadian fiscal affairs in the postwar ii era subjects treated are the economic consequences of adopting a keynesian role for government the growth of government expenditure evolution of federal provincial tax sharing and transfer programmes developments in provincial budget history of canadian tariff changes leading to the free trade and the history and current status of international tax arrangements the description of the tax reforms 1962 71 and 1985 87 is also included

report of the dominion fishery commission on the fisheries of the province of ontario 1893 issued as vol 26 no 7 supplement

appropriate for introductory courses in canadian politics at the university level the new edition of this award winning text offers students a comprehensive introduction to canadian politics within a comparative global context it has been updated to include information up to and including the federal election of 1993 the authors structure the parts around four key political concepts culture institutions behaviour and public policy there is substantial material on patronage and conflict of interest and on the structure and role of the courts important issues such as women in politics canada s international peacekeeping role canada u s relations free trade constitutional affairs and policy making in this age of budgetary restraint also receive significant treatment
