second homes have become an increasingly important component of both tourism and housing studies they can directly and indirectly contribute a significant number of domestic and international visitors to destinations and may be part of longer term retirement lifestyle and amenity migration that can have significant economic and social effects on communities and destination development this volume offers an overview of different disciplinary and methodological approaches to second homes while simultaneously providing a broad geographical reach divided into four parts exploring governance development community and mobile second homes the book provides a contemporary account of the major issues in an area of growing international

interest this timely handbook covers a wide range of dimensions from planning to the role of second homes in development and the management of their impact the international and cross disciplinary nature of the contributions will be of interest to numerous academic fields in the social sciences as well as urban and regional planners

this book contains selected papers presented during technical and plenary sessions at the world renewable energy congress the world's premier conference on renewable energy and sustainable development all papers were rigorously peer reviewed the congress held at murdoch university in perth western australia from february 5-9 2017 with the theme of transition towards 100 renewable energy featured keynote speakers and parallel technical sessions highlighting technical policy and investment progress towards achieving 100 renewable energy ranging in scale from households to cities to large regions with a focus on the challenges and opportunities transforming the global energy systems the book highlights contributions from thought leaders involved in the supply distribution consumption and development of sustainable energy sources

in a world where the term islam is ever increasingly an inaccurate and insensitive synonym for terrorism it is unsurprising that many muslim youth in the west struggle for a viable sense of identity this book takes up the hotly debated issue of muslim youth identity in western countries from the standpoint of popular culture it proposes that in the context of islamophobia and pervasive moral panic young muslims frame up their identity in relation to external conditions that only see good and bad muslims on both sides of the ideological fence between islam and the west indeed by attempting to break down the good versus bad muslim dichotomy that largely derives from western media reports as well as political commentary muslim youth in the diaspora challenging extremism through popular culture will enlighten the reader it illuminates the way in which diasporic muslim youth engage with and are affected by the radical islamist meta narrative it examines their popular culture and online activity their gendered sense of self and much more this original book will be of interest to students and scholars interested in the fields of sociology cultural studies and social anthropology it offers a particular focus on islam for research in youth studies youth culture political radicalisation and religious identity it will also be relevant to the sector of youth and social work where practitioners seek to build cultural bridges with a new generation

criticism doubts second thoughts although investor state arbitration isa has been included in investment agreements between developed and developing countries since the 1960s and provided foreign investors with a kind of private justice against developing world host states it became increasingly controversial in developed countries when it was included in nafta in 1993 creating the possibility of isa claims between and against two developed countries the united states or canada as well as claims against and by a developing state mexico a few years later the oecd's attempt to finalize the multilateral

agreement on investment was stymied by concerted civil society protest and opposition to isa and in recent years each new proposed agreement has sparked fresh rounds of protest what engenders the controversy about isa while isa s advantage is that it prevents escalation of international conflict by relieving states from feeling obliged to espouse claims of injured investors against foreign governments it is criticized for creating regulatory chill whereby states are reluctant to make necessary public policy reforms for fear that changes to the investment environment will lead to expensive investor claims are fears of litigation and expensive payouts well founded can key modifications to the isa system such as those added to the comprehensive economic and trade agreement satisfy critics and redeem this system of private justice is isa really necessary between developed democracies where an independent and professional judiciary can generally be trusted to decide without fear or favour in second thoughts investor state arbitration between developed democracies 16 international investment legal experts have undertaken in depth analyses of isa s economic political and social impacts when included in agreements between developed democracies this timely volume appears at a critical moment seeking answers to the crucial questions that will determine the next generation of international investment agreements

australia is the planet s sole island continent this book argues that the uniqueness of this geography has shaped australian history and culture including its literature further it shows how the fluctuating definition of the island continent throws new light on the relationship between islands and continents in the mapping of modernity the book links the historical and geographical conditions of islands with their potent role in the imaginary of european colonisation it prises apart the tangled web of geography fantasy desire and writing that has framed the western understanding of islands their real and material conditions and their symbolic resonance from antiquity into globalised modernity the book also traces how this spatial imaginary has shaped the modern man who is imagined as being the island s natural inhabitant or mirror importantly the book challenges these habits of thought by their relocation within larger topological and imaginary visions from islanders themselves

essay from the year 2016 in the subject sociology culture technology nations grade 1 7 university of newcastle marketing language english abstract the purpose of this report is to analyse potential cultural and economic factors that would affect the introduction of sanitarium s up and go into the foreign developing market of brazil the report firstly provides a synopsis of sanitarium as well as a background into the product itself which surmises that it is a breakfast drink which is targeted toward time poor individuals and to a lesser extent health conscious people the report goes on to discuss the relevant economic and cultural factors of australia which contributed to the success of up and go in this market australia s high levels of gdp per capita the fact it is a developed economy and high rates of urbanisation means that a large segment of the market have the disposable income to purchase up and go and overall do not have to travel far to access a retailer for it

the trade policy review mechanism a permanent feature of the world trade organization wto is designed to contribute to improving adherence by all wto members to rules disciplines and commitments made under the multilateral trade agreement this volume in the series provides information on the trade policies practices and macroeconomic situations of australia each trade policy review is expertly prepared after in depth analysis of an individual nation by the wto s trade policy review board
