the viral tiktok sensation about situationships heartbreak mistakes you can call it what you want but was it love it's 2016 and sloane hart's senior year of college is bound to be the best one yet her nights consist of drinking cheap vodka and singing along to the chainsmokers with her friends and her days are spent writing as she prepares for the post grad life in new york city she's always dreamed of the last thing she needs is for a guy to get in the way of her goals with graduation so close she just needs to focus on landing a job and enjoying this last year with her best friends all under one roof but that plan becomes a little more complicated when her upstairs neighbor ethan brady enters the picture ethan's pull is undeniable he's tall mysterious and handsome as hell and when sloane is with him the entire world slows to a halt but ethan's guarded past is too hurtful for him to face and if letting sloane in means that the walls he's built around his heart would come crumbling down he may not be willing to let that happen as their chemistry and connection intensify sloane finds herself falling deeper and deeper but will ethan ever be ready to catch her nostalgic heartfelt and profoundly cathartic call it what you want is an ode to almost love stories the kinds with no labels no promises and the potential to turn your entire world upside down

this book is a book of some questions to ponder some answers to ponder some propositions some controversial materials it will inform some and possibly outrage some who have a different point of view about your world around us if you have a closed mind it may not be the book for you it is a book with a large background of bible implications it suggests future events as well as the world situation around you now you will see things that are worth your notice and attention unlike other more common

literature it can be begun at nearly any page it is a volume not to promote one basic ideal but many you should find something pertaining to your own world within these pages something you would like to know or should know it is a book of the discovery of the over looked apparent some thinking is required if you like to think it should be reading for pleasure you will discover you live in a world of many worlds one of the main ideas of this book is to stimulate one's own thinking facility the brain to more active participation in the world around us the future is better to the thinkers one is not likely to read this book in one setting because it is a thinking book a book to ponder you will see more if you walk so to speak rather than fly through this book as it says in the book open your eyes and see the darkness close your eyes and see the light

we all face death but how many of us are actually ready for it whether our own death or that of a loved one comes first how prepared are we spiritually or practically in preparing to die andrew holecek presents a wide array of resources to help the reader address this unfinished business part one shows how to prepare one's mind and how to help others before during and after death the author explains how spiritual preparation for death can completely transform our relationship to the end of life dissolving our fear and helping us to feel open and receptive to letting go in the dying process daily meditation practices the stages of dying and how to work with them and after death experiences are all detailed in ways that will be particularly helpful for those with an interest in tibetan buddhism and in tibetan approaches to conscious dying part two addresses the practical issues that surround death experts in grief hospice the funeral business and the medical and legal issues of death contribute chapters to prepare the reader for every practical concern including advance directives green funerals the signs of death warnings about the funeral industry the stages of grief and practical care for the dying part three contains heart advice from twenty of the best known tibetan buddhist masters now teaching in the west these brief interviews provide words of solace and wisdom to guide the dying and their caregivers during this challenging time preparing to die is for anyone interested in learning how to prepare for death from a buddhist perspective both spiritually and practically it is also for those who want to learn how to help someone else who is dying both during the time of illness and death as well as after death

asking is more than a skill it's a lifestyle the ask is your personal manual for building the best most fulfilling personal and professional life possible crafting the perfect ask can fund your new business support your favorite charity and get more quality time with your significant other but it can do so much more than that it can change your life in learning how to ask for what you really want and deserve you lose your fear of rejection and judgement you create the greatest sense of self worth that no one can give you you give it to yourself when you ask the critical moment is when you turn your skills inward and make the hardest asks the ones you ask yourself this book is designed to make you an exceptional asker and in the process give you the confidence and skills you need to achieve all your goals and realize your dreams you'll learn how to prepare what words to use what to avoid and how to follow up and you'll purge the natural hesitancy that has been holding you back for so long asking is about empowerment it shows the world that what you want matters it defines who you are where you're going and who will be by your side this book provides over 175 sample asks with clear actionable steps to help you claim your space in relationships at work and in the world rewrite your own rulebook and find empowerment in asking learn the simple five steps to craft the perfect ask discover the secret of the ask it's two sentences and a question remove your money blockers and turn a bad ask into a win conquer the hardest asks you'll ever make the ones you ask yourself mastering the art of the ask reconfigures your approach to life and changes the way you tackle challenges and goals the ask gives you the skills and the mindset you need to accomplish anything you can dream

the public outcry for a return to moral education in our schools has raised more dust than it's dispelled building upon his provocative ideas in on becoming responsible michael pritchard clears the air with a sensible plan for promoting our children's moral education through the teaching of reasonableness pritchard contends that children have a definite but frequently untapped capacity for reasonableness and that schools in a democratic society must make the nurturing of that capacity one of their primary aims as fundamental to learning as the development of reading writing and math skills reasonableness itself he shows can be best cultivated through the practice of philosophical inquiry within a classroom community in such an environment children learn to work together to listen to one another to build on one another's ideas to probe assumptions and different perspectives and ultimately to think for themselves advocating approaches to moral education that avoid mindless indoctrination and timid relativism pritchard neither preaches nor hides behind abstractions he makes liberal use of actual classroom dialogues to illustrate children's remarkable capacity to engage in reasonable conversation about moral concepts involving fairness cheating loyalty truthtelling lying making and keeping promises obedience character and responsibility he also links such discussions to fundamental concerns over law and moral authority the roles of teachers and parents and the relationship between church and state pritchard draws broadly and deeply from the fields of philosophy and psychology as well as from his own extensive personal experience working with children and teachers the result is a rich and insightful work that provides real hope for the future of our children and their moral education

from sunday times bestselling author fern britton comes an epic tale three generations of women their lives their loves and their longing to come home to cornwall a heartfelt novel about family secrets and atonement fanny blake woman home

a never before published novel from beloved author zora neale hurston revealing the historical herod the great not the villain the bible makes him out to be but a religious and philosophical man who lived a life of valor and vision in the 1950s as a continuation of moses man of the mountain zora neale hurston penned a historical novel about one of the most infamous figures in the bible herod the great in hurston's retelling herod is not the wicked ruler of the new testament who is charged with the slaughter of the innocents but a forerunner of christ a beloved king who enriched jewish culture and brought prosperity and peace to judea from the peaks of triumph to the depths of human misery the historical herod appears to have been singled out and especially endowed to attract the lightning of fate hurston writes an intimate of both marc antony and julius caesar the judean king lived during the first century bce in a time of war and imperial expansion that was rife with political assassinations and bribery as the old world gave way to the new portraying herod within this vivid and dynamic world of antiquity little known to modern readers hurston's unfinished manuscript brings this complex compelling and misunderstood leader fully into focus hurston shared her findings about herod's rise his reign and his waning days in letters to friends and associates text from three of these letters concludes the manuscript in an intimate way scholar editor deborah plant's commentary a story finally told assesses hurston's pioneering work and underscores hurston's perspective that the first century bce has much to teach us and that the lens through which to view this dramatic and stirring era is the life and times of herod the great
